## MEDICAL PRACTICE LAW OF COLORADO

### An Act

To Protect the Public Health and Regulate the Practice of Medicine in the State of Colorado.

Section 1. CREATION OF BOARD: A board is hereby established, to be known by the name and style of the State Board of Medical Examiners. Said board shall be composed of nine practicing physicians of integrity and ability, who shall be residents of and have been duly licensed to practice medicine in this state, and who shall have been graduated from medical schools of high educational requirements and standing, and have been engaged in the active practice of their profession within this state for a period of at least five years. Said board shall perform such duties and possess and exercise such powers relative to the protection of the public health and the control and regulation of the practice of medicine in this state as shall be in this Act prescribed and conferred upon it.

Sec. 2. APPOINTMENT OF MEMBERS: The governor shall appoint nine physicians, who shall possess the qualifications specified in Section 1 of this Act, to constitute the members of said board. Said members shall be so classified by the governor that the term of office of three shall expire in two, three in four and three in six years from the date of appointment. Biennially thereafter the governor shall appoint three members, who shall possess the qualifications as specified in Section 1 of this Act, each to serve for the term of six years, and he shall fill vacancies in the membership of said board as soon as practicable.

Sec. 3. ORGANIZATION: Said board shall biennially elect a president, a vice-president and a secretary-treasurer from their membership, and adopt a seal, which shall be affixed to all licenses issued by them. They shall, from time to time, adopt such rules and regulations as they may deem necessary for the performance of their duties, and a schedule of minimum educational requirements, which shall be without prejudice, partiality and discrimination as to schools or systems of practice of medicine. When an applicant for a license offers to the board satisfactory proof that he has complied with such educational requirements as are specified in said schedule, the board shall accept such proof as sufficient evidence of the educational qualifications of the applicant, to entitle him to a license without examination; provided however, that at no time shall said schedule for graduates after Jan. 1, 1900, specify the attendance on less than four full courses of instruction in four separate years in a reputable medical school. They shall keep on file with the secretary of the board for public inspection a copy of their N.Y.I. of educational requirements and Coleman, regulations.

(111). APPLICATIONS: Any person HALL, Obtain the right to practice medicine (109). state, who has not heretofore so to do shall, before it shall

be lawful for him to practice medicine in this state, make application to said State Board of Medical Examiners, through the secretary-treasurer thereof, upon such form and in such manner as shall be adopted and prescribed by the board, and obtain from the board a license so to do. Unless such person shall have obtained a license as aforesaid, it shall be unlawful for him to practice medicine in this state without first having obtained such a license he shall be deemed to have violated the provisions of this Act. All applicants for a license to practice medicine or for a renewal of any such license which has been revoked shall furnish the board with satisfactory evidence of good moral character.

Sec. 5. LICENSING AND PENALTIES: Said board shall have authority to administer oaths, to summon witnesses and to take testimony in all matters relating to their duties. Said board shall issue licenses to practice medicine to all persons who shall furnish satisfactory evidence of attainments and qualifications under the provisions of this Act and the rules and regulations of the board. Such licenses shall be signed by the president and attested by the secretary-treasurer of the board under its adopted seal, and they shall be absolute authority to the persons to whom they are issued to practice medicine in this state. It shall be the duty of the secretary-treasurer, under the direction of the board, personally or by deputy, to aid the several district attorneys of the state in the enforcement of this act and in the prosecution of all persons charged with violating any of its provisions.

Sec. 6. FEES: There shall be paid to the secretary-treasurer of the State Board of Medical Examiners by each applicant for a license a fee of \$25, which shall accompany the application. Two-fifths of the fee shall be returned to the applicant in case the board shall refuse to grant him a license.

Sec. 7. EXAMINATIONS: Examinations of applicants for license to practice medicine shall be made by said State Board of Medical Examiners according to the methods deemed by it to be the most practicable and expeditious to test the applicant's qualifications. Such applicant will be designated by a number instead of his name, so that his identity will not be disclosed to the members of the board until after the examination papers are graded. The subjects of written, oral or clinical examinations shall be as follows: Anatomy, physiology, chemistry, symptomatology, toxicology, pathology, surgery and obstetrics (exclusive of materia medica and therapeutics). The credentials of applicants relating to their general reputation, their preliminary education and the courses of study they have pursued, the degrees they have received, the number of years they have been engaged in the lawful practice of medicine, their experience in general hospitals, medical departments of the Army, Navy and Public Health Service, licenses granted to them by other states and countries, and their experience as teachers of medicine, shall be given due consideration by the board in conducting its examinations. On investigation of an applicant's credentials the board shall, when convinced that an applicant is qualified to practice medicine, grant him a license thereon without further examination. Each applicant shall name his system of practice and no person shall use the name of any system unless he holds a certificate from the state association of such system.

Sec. 8. RECORDING LICENSE: Every person who shall receive a license from the State Board of Medical Examiners shall have it recorded in the office of the recorder of deeds of the county in which he resides, and shall likewise have it recorded in the counties to which he shall subsequently remove for the purpose of practicing medicine. The failure on the part of the holder of a license to have it recorded before he shall begin the practice of medicine in this state shall render it null and void.

Sec. 9. REGISTRY OF LICENSES: The recorder of deeds of each county in this state shall keep for public inspection, in a book provided for that purpose, a complete list and description of the licenses recorded by him. When any such license shall be presented to him for record he shall stamp or write on the face thereof his signed memorandum of the date when such license was presented for record.

Sec. 10. REVOCATION OF LICENSE: The State Board of Medical Examiners may refuse to grant or may revoke a license to practice medicine in this state, or may cause a licensee's name to be removed from the record in the office of any recorder of deeds in the state on any of the following grounds, to-wit: The employment of fraud or deception in applying for a license or in passing the examination provided for in this Act; the practice of medicine under a false or assumed name, or the personation of another practitioner of a like or different name; the conviction of a crime involving moral turpitude; habitual intemperance in the use of ardent spirits, narcotics or stimulants to such an extent as to incapacitate for performance of professional duties; the procuring or aiding or abetting in procuring a criminal abortion; the obtaining of a fee on the representation that a manifestly incurable disease can be permanently cured; causing the publication and circulation of an advertisement of any medicine or means whereby the monthly periods of women can be regulated or the menses, if suppressed, can be reestablished; causing the publication and circulation of an advertisement relative to any disease of the sexual organs. Any person who is a licensee, or who is an applicant for a license to practice medicine, against whom any of the foregoing grounds for revoking or refusing to grant a license is presented to said board with a view of having the board revoke or refuse to grant a license, shall be furnished with a copy of the complaint, and shall have a hearing before said board, in person or by attorney, and witnesses may be examined by said board respecting the guilt or innocence of said accused. Said board may at any time within two years from the refusal or revocation of a license or cancellation of registration under this section, by a majority vote, issue a new license or grant a license to the person affected, restoring or conferring all the rights and privileges of and pertaining to the practice of medicine as defined and regulated by this Act. Any person to whom such rights and privileges have been so restored shall pay to the secretary-treasurer a fee of \$10 on the issuance of a new license.

Sec. 11. DEFINITION: The terms "practice of medicine," "to practice medicine," "practicing medicine" and "practice medicine," as used in this Act, are each hereby defined to mean holding oneself out to the public as being engaged within this state in the diagnosis and treatment of diseases or injuries of human beings, or the suggestion, recommendation or prescribing of any form of treatment for the intended palliation, relief or cure of any physical or mental ailment of any person, with the intention of

receiving therefore, either directly or indirectly, any fee, gift or compensation whatsoever; or the maintenance of an office for the reception, examination and treatment of any person suffering from disease or injury of body or mind; or attaching the title M.D., surgeon, doctor or any other word or abbreviation to his name indicative that such person is engaged in the treatment or diagnosis of the diseases or injuries of human beings. If any person shall hold himself out to the public as being engaged within this state in the diagnosis and treatment of diseases or injuries of human beings, or shall suggest, recommend or prescribe any form of treatment for the palliation, relief or cure of any physical or mental ailment of any person with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever, or shall maintain an office for the reception, examination and treatment of diseased or injured human beings, or shall attach the title of M.D., surgeon, doctor or any other word or abbreviation to his name indicative that he is engaged in this state in the treatment of diseased or injured human beings, and shall not, in any of these cases, theretofore have received, or shall not, in any of these cases then possess, in full force and virtue, a valid license to practice medicine under the laws of this state, he shall be deemed to be practicing medicine without complying with the provisions of this Act and in violation hereof. Nothing in this Act shall be construed to prohibit gratuitous service in case of emergency, nor the practice of the religious tenets or general beliefs of any church whatsoever not prescribing medicine or administering drugs, nor shall it apply to commissioned surgeons of the United States Army, Navy or Public Health Service, while so engaged, nor to regularly licensed physicians called from other states or territories to attend specific cases in this state, nor the practice of dentistry, nor the practice of osteopathy when not prescribing medicine or administering drugs.

**Sec. 12. PENALTIES:** Any person practicing medicine in this state without complying with the provisions of this Act, or any person who shall have violated the provisions of this Act, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not less than \$50 nor more than \$300, or by imprisonment in the county jail for not less than ten days nor more than thirty days, or both. Any person presenting or attempting to file, as his own, the diploma or certificate or credentials of another, or who shall give either false or forged evidence of any kind to the State Board of Medical Examiners or any member thereof in connection with an application for a license to practice medicine, or who shall practice medicine under a false or assumed name, or who shall falsely personate another practitioner of a like or different name, shall be deemed guilty of a felony, and on conviction thereof shall be punished by imprisonment in the state penitentiary for a term of not less than one year nor more than ten years at hard labor.

**Sec. 13. DISPOSITION OF LICENSE FEES:** All fees received by the State Board of Medical Examiners and all fines collected by any officer of the law under this Act shall be paid to the secretary-treasurer of said board, who shall, at the end of each and every month, deposit the same with the state treasurer, and the said state treasurer shall place said money so received in a special fund, to be known as the fund of the State Board of Medical Examiners, and shall pay the same out on warrants drawn by the auditor of the state therefor on vouchers issued and signed by the president and secretary-treasurer of said board. Said moneys so received and placed in said fund may be used by the State Board of Medical Examiners in defraying their expenses in carrying out the provisions of this Act. At the end of every biennial period, if there shall remain in said fund any balance, said balance shall be transferred to the general revenue fund of the state. The secretary-treasurer of said board shall keep a true and accurate account of all funds received and all vouchers issued by the board, and

on the first day of December of each year he shall file with the governor of the state a report of all receipts and disbursements for said board for the preceding fiscal year. Members of said board shall receive a per diem for the time during which they shall be actually engaged in the discharge of their duties, and the secretary-treasurer shall receive a salary, said per diem and salary shall be fixed by the board and, together with all other expenses, shall be paid out of the fund of the State Board of Medical Examiners.

**Sec. 14. MEETINGS OF BOARD:** The State Board of Medical Examiners shall meet as a Board of Medical Examiners in the city of Denver on the first Tuesday of January, April, July and October of each year, and at such other times and places as may be found necessary for performance of their duties.

Approved April 20, 1905.

Yampa Hospital, Yampa, Colo. Established 1907; 12 beds; L. A. Hubbard, physician in charge.

## PHYSICIANS OF COLORADO

EXPLANATORY NOTE.—The present medical practice act became effective April 20, 1905. License dates for preceding years indicate licenses issued under previous laws.

## KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in capitals signify membership in the County Society and State Association. (DOE, JOHN).

⊕ Indicates Fellowship in the American Med. Assn. (DOE, JOHN⊕).

(b'75) Year of birth. [medic. H, homeopath; E, eclectic; P-M, physio-Md. 7, '09, College and year of graduation. ◊ Information received does not show graduation.

(l'89) Year of license.

(3) In practice before passage of present law and licensed by filing diploma or by years of practice.

(l†) Licensed but year not known.

(§) Information received does not show license.

U.S.A., United States Army.

M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.

M.R.C., U.S.N., Medical Reserve Corps.

U.S.P.H.S., United States Public Health Service.

College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.

(A1,3, B6, C4) Membership in special Societies. (See Key Table, page 122.)

## SPECIALTIES ARE INDICATED AS FOLLOWS:

S.—Surgeon.

Ob.—Obstetrician.

ObG.—Obstetrician, Gynecologist.

G.—Gynecologist.

Or.—Orthopedist.

Pr.—Proctologist.

Op.—Ophthalmologist.

A.—Aurist.

LR.—Laryngologist, Rhinologist.

ALR.—Aurist, Laryngologist, Rhinologist.

OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.

U.—Urologist.

D.—Dermatologist.

Pd.—Pediatrist.

N.—Neurologist.

P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.

I.—Internist.

T.—Tuberculothapist.

Anes.—Anesthetist.

LD.—Laboratory Diagnostician. [gist.

R.—Actinologist, Radiologist, Roentgenolo-

Path.—Pathologist.

Bact.—Bacteriologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAW OF CONNECTICUT

Section 4714. WHO SHALL PRACTICE: No person shall, for compensation, gain or reward, received or expected, treat, operate or prescribe for any injury, deformity, ailment or disease, actual or imaginary, of another person, nor practice surgery or midwifery, until he has obtained such a certificate of registration as is in section 4715 provided, and then only in the kind or branch of practice stated in said certificate; but this chapter shall not apply to dentists while practicing dentistry only, nor to any person in the employ of the United States government while acting in the scope of his employment, nor to any person who shall furnish medical or surgical assistance in cases of sudden emergency, nor to any person residing out of this state who shall be employed to come into the state to render temporary assistance to or consult with any physician or surgeon who has been registered in conformity with the provisions of this chapter, nor to any physician or surgeon then actually residing out of this state who shall be employed to come into this state to treat, operate or prescribe for any injury, deformity, ailment or disease from which any person is suffering at the time when such non-resident physician or surgeon is so employed, nor to any chiroprapist or clairvoyant who does not use in his practice any drugs, medicine or poison, nor to any person practicing the massage method or Swedish movement cure, sun cure, mind cure, magnetic healing or Christian Science, nor to any other person who does not use or prescribe in his treatment of mankind drugs, poisons, medicines, chemicals or nostrums.

Sec. 4715. APPLICATIONS; EXAMINATIONS; LICENSES FROM OTHER STATES: No person shall obtain a certificate of registration as in Section 4714 required until he has passed a satisfactory examination before one of the examining committees appointed for the purpose by the State Board of Health, except as hereinafter provided, nor until he has filed with said board duplicate certificates signed by a majority of said examining committee, stating that they have found him qualified to practice either medicine, surgery or midwifery, nor until he has filed with said board duplicate statements subscribed and sworn to by him on blanks furnished by said board, giving his name, age, place of birth and present residence, stating of what medical college he is a graduate and the date of such graduation, together with such other information, as shall be required by said blanks. No person shall be eligible to said examination until he presents to the committee by whom he is to be examined satisfactory evidence that he has received a diploma from some legally incorporated and reputable medical college as determined by the provisions of Section 4718 of the general statutes, nor until he has presented to said committee a certificate of good moral character signed by two reputable citizens of this state, and also satisfactory evidence that, before beginning the study of medicine, he was graduated from a college, high school, or preparatory

school whose standing shall be approved by said committee, or that his preliminary education is equivalent thereto. From and after January 1, 1914, no person shall be eligible to examination under this Act until he shall, in addition to the foregoing requirements, present to said committee satisfactory evidence that, before beginning the study of medicines, he has completed a course of study of at least nine months' duration which included chemistry, physics and general biology.

Any one of the examining committees appointed under the provisions of section 4716 may accept the license of any State Board of Medical Examiners of any state in the United States or in the District of Columbia in lieu of said examination, provided the applicant shall present such license to the examining committee before whom he appears, together with satisfactory evidence that such license has been issued after a state examination of as high a grade and of the same kind as that required by said examining committee, that he is a resident of this state or that he intends in good faith to permanently reside herein, that he has been in actual practice for a period of at least six months in the year immediately preceding the date of his application, and that he is of good moral character and professional standing, and on the payment to said committee of the sum of \$15 he may receive a certificate of the approval of such license by said examining committee.

Any person passing such examination or obtaining such certificate of approval and filing said certificates and statements shall receive from said State Board of Health, on payment of \$2, a certificate of registration, which shall state that the person named has been found qualified so to practice. Each of said examining committees shall file with the State Board of Health, within thirty days after the close of each examination, a list of all applicants examined by it since the last previous examination. Said list shall also indicate whether each applicant passed or failed to pass such examination.

Sec. 4716. CONSTITUTION OF EXAMINING COMMITTEE: The Connecticut Medical Society, the Connecticut Homeopathic Medical Society and the Connecticut Eclectic Medical Society shall each annually in December file with the State Board of Health the name of one physician, practicing in this state, who shall have been recommended by such medical society as a person competent to serve on one of the examining committees appointed by the State Board of Health, as specified in Chapter 158 of the public acts of 1893, and in case any vacancy occurs on any of said examining committees the president of the society of whose members said committee is composed shall nominate such a person to fill said vacancy. Annually in January the State Board of Health shall appoint one member of each of said committees, who shall have been nominated for such office as aforesaid, to serve five years, and said board shall in the same manner fill any vacancy occurring in any of said committees. Said committees shall be known as the Connecticut Medical Examining Board, the Connecticut Homeopathic Medical Examining Board, and the Connecticut Eclectic Medical Examining Board.

Sec. 4717. INTERPRETERS: Every examining committee provided for in Section 4716 shall, when requested by an applicant for a certificate permitting said applicant to practice midwifery, if said applicant does not understand the English language, conduct the examination through an interpreter of the language which the applicant understands. Said interpreter shall be furnished

and paid by the applicant and shall give the committee conducting the examination satisfactory proof of his ability correctly to translate the language of the applicant into English. Whenever such applicant shall have satisfactorily passed an examination, so conducted, a certificate of registration shall be issued as provided in Section 4715.

Sec. 4718. DATES OF EXAMINATIONS: The said examining committees shall hold examinations on the second Tuesdays of March, July and November of each year, at such places as they may designate and at such other times and places as they shall determine. Applicants for certificates to practice medicine or surgery shall be examined in anatomy, physiology, medical chemistry, obstetrics, hygiene, surgery, pathology, diagnosing, therapeutics, practice and materia medica. Each committee shall frame its own questions and conduct its examinations in writing, and both questions and answers shall be filed with and preserved for at least six years by the State Board of Health. Each of said committees shall make such rules and regulations for conducting said examinations and the furtherance of the spirit of this Act, as from time to time it shall deem necessary. Every applicant for examination under the provisions of this Act shall be examined by the committee representing the same school of practice in which the applicant was graduated; but before taking such examination he shall pay to the committee the sum of \$15, provided that the fee for examination in midwifery alone shall be \$10. An applicant rejected by an examining committee may be re-examined by the committee before whom he appeared at any subsequent meeting of said committee. On the receipt of any duplicate statements, as in Section 4715 provided, the State Board of Health shall transmit one of said duplicate statements, together with a duplicate of the certificate of registration in each case, to the town clerk of the town wherein the person so filing said statement resides; and in case such person does not reside in the state of Connecticut, the State Board of Health shall transmit said statement and certificate to the town clerk of the town in this state nearest to the place of residence of such person, and said town clerk shall record the same in a book to be provided for that purpose by the State Board of Health, and shall then return the same to the person who filed the same with the Board of Health, and said town clerk shall receive for such recording a fee of 25 cents, to be paid by the State Board of Health out of the amount so paid to it as aforesaid. The secretary of each of said medical societies shall file annually with the secretary of the State Board of Health a list of medical colleges or institutions recognized as legal and reputable by his society, or all of such secretaries may agree on a single list, and such list or lists may be corrected as may be necessary.

Sec. 4719. REPEAL; PHARMACISTS; PRESCRIPTIONS; PENALTIES: Nothing in this chapter shall be construed to repeal or affect any of the provisions of any private charter. The provisions of this chapter shall not apply to licensed pharmacists. All physicians or surgeons practicing under the provisions of this chapter shall, when requested, write a duplicate of their prescriptions in the English language. Every person who violates the requirements of this section regarding prescriptions shall be fined \$10 for each offense. Every person violating any provision of Section 4714 shall be fined not less than \$100 nor more than \$300 for the first offense, and for each subsequent offense not less than \$200 nor more than \$500, or imprisoned in the county jail

# CONNECTICUT

for not less than thirty nor more than ninety days, or both; the fine, when collected, shall be paid one-half to the person or corporation making the complaint and the other half to the State Board of Health. Every person who shall swear to any falsehood in any statement required by Section 4715 to be filed with the State Board of Health shall be guilty of perjury. The State Board of Health may appoint a clerk and fix his salary, to be paid only out of the fees and penalties received under the provisions of this chapter.

**Sec. 4720. REVOCATION OF CERTIFICATE:** The secretary of the State Board of Health, upon the written request of all the members of any one of the examining committees mentioned in section 4716, may revoke and cancel the certificate of registration of any person convicted of any crime in the practice of his professional business, or convicted of a felony, but no one of the examining committee shall have the right to request the revocation and cancellation of a certificate granted on the examination of any one of the other examining committees.

## MEDICAL PRACTICE LAW OF DELAWARE

### An Act

Regulating the Practice of Medicine and Surgery in this State.

**PREAMBLE:** Whereas, The safety of the public may be endangered by incompetent physicians and surgeons, and due regard for public health and the preservation of human life demands that none but competent and properly qualified physicians and surgeons shall be allowed to practice their profession; therefore,

Be it enacted by the Senate and House of Representatives of the State of Delaware in General Assembly met:

**Section 1. ESTABLISHMENT OF MEDICAL COUNCIL:** That there shall be established a Medical Council of Delaware, consisting of the Chief Justice of the State and of the President of the two State Boards of Medical Examiners provided for in this act.

**Sec. 2. DESIGNATION; RULES:** The said council shall be known by the name and style of the "Medical Council of Delaware," and may make and adopt all necessary rules, regulations and by-laws for their own government, not inconsistent with the laws of this state or of the United States, and shall have power to locate and maintain an office within this state for the transaction of business. Two members of said Council shall constitute a quorum for the transaction of business.

**Sec. 3. ORGANIZATION OF COUNCIL:** The said council shall organize within ten days from the date of the organization of the two Boards of Medical Examiners, and shall elect from its own number a president and a secretary, who shall also act as treasurer, both of whom shall hold their offices for one year, or until their successors are chosen.

**Sec. 4. COMPENSATION:** The members of said council shall receive, in addition to their necessary expenses, five dollars per day each for each meeting of the council, but said per diem shall not exceed in any one year more than fifteen dollars, the same to be paid out of the fees hereinafter provided for.

**Sec. 5. MEETINGS; CERTIFICATES:** The said Medical Council shall hold two stated meetings in each year, and may hold special meetings at such times as it may deem proper. It shall issue certificates for license to practice medicine and surgery to such applicants as have presented such diplomas as hereinafter required and successfully passed the examination hereinafter provided, and the said Medical Council shall have no powers, duties or functions except as provided for in this Act.

**Sec. 6. TWO EXAMINING BOARDS PROVIDED FOR; APPOINTMENT; VACANCIES:** That from and after the passage of this Act there shall be, and continue to be, two separate Boards of Medical Examiners for the State of Delaware, one representing "The President and Fellows of the Medical Society of Delaware," and the other "The

Homeopathic Medical Society of Delaware State and Peninsula."

Each board shall consist of five members, and each of said number shall serve for a term of two years from the first day of March next after appointment, with the exception of those first appointed, who shall serve as follows: two of each board for one year, and three of each board for two years, from the first day of March, A. D. 1895.

The governor shall appoint the members of said Board of Examiners, respectively, from the lists of members submitted by said medical societies residing in this state, which lists shall within ten days from the passage of this act, and on or before the first day of every January thereafter, be transmitted to the governor under the seal and signed by the secretary of the society so nominating.

From these lists of nominees, respectively, the governor shall, within ten days after the receipt thereof, appoint two separate Boards of Medical Examiners, each board to be composed exclusively of members of the same medical society. In case of the failure of either of the said societies to submit lists as aforesaid, the governor shall appoint members in good standing of the corresponding society entitled to nominate without other restrictions.

Each one of the said appointees must be a registered physician in good standing, and shall have practiced medicine or surgery under the laws of this state for a period of not less than five years prior to such appointment.

The governor shall fill vacancies by death or otherwise for unexpired terms of said examiners from the lists submitted as aforesaid, and may remove any member of either of said boards for continued neglect of the duties required by this Act, or on recommendation of the medical society of which said member may be in affiliation, for unprofessional or dishonorable conduct.

The governor shall in his first appointments designate the number of years for which each appointee shall serve.

The appointments of successors to those members whose terms of office will expire on the first day of March of each year shall be made by the governor during the first ten days of January of such year, on the same conditions and requirements as hereinbefore specified with reference to the appointment of two separate examining boards, each to be composed exclusively of members of the same medical society, as hereinbefore provided.

**Sec. 7. DESIGNATIONS:** Said boards shall be known by the name and style of "Boards of Medical Examiners of the State of Delaware." Every person who shall be appointed to serve on either of said boards shall receive a certificate of appointment from the secretary of state under his hand. Each of said boards of examiners shall make and adopt all necessary rules, regulations and by-laws, not inconsistent with the laws of this state or of the United States, whereby to perform the duties and transact the business required under the provisions of this Act.

**Sec. 8. DISPOSITION OF FEES:** From the fees provided by this Act the Medical Council shall pay, not to exceed said income, all proper expenses incurred by its provisions; and if any surplus above said expenses shall remain at the end of any year, it shall be apportioned among said medical societies pro rata according to the number of candidates examined by each.

**Sec. 9. ORGANIZATION:** The first meeting of each of the examining boards,

respectively, shall be held on the first Tuesday of July, 1895. At such meeting of each of the boards, respectively, an organization shall be effected by the election from their own membership of a president and secretary, for the purpose of examining applicants for certificate for license. Each of said board of medical examiners shall hold two or more stated or special meetings in each year, due notice of which shall be made public at such times and places as they may determine. At said stated or special meetings a majority of the members of either board shall constitute a quorum thereof, but the examination may be conducted by a committee duly authorized by said boards.

**Sec. 10. QUESTIONS TO BE SUBMITTED TO COUNCIL:** Each Board of Medical Examiners, not less than one week prior to each examination, shall submit to the Medical Council of Delaware questions for thorough examination in anatomy, physiology, hygiene, chemistry, surgery, obstetrics, pathology, diagnosis, therapeutics, practice of medicine and materia medica.

The Medical Council shall select the questions for such examinations from the lists of questions submitted by the Board of Medical Examiners of the candidate's election; and should there be candidates for examination of any other school than the two designated in this act, they shall be examined by the council and some reputable practitioner in this State of such school, by said council to be selected, upon questions selected from standard text-books on the above subjects as taught by the school selected by the candidate.

**Sec. 11. EXAMINATIONS:** Said examinations shall be conducted in writing in accordance with the rules and regulations prescribed by the respective Boards of Medical Examiners, and shall embrace the subjects named in Section 10 of this Act. After each examination the Board of Medical Examiners having charge thereof shall, without unnecessary delay, act on the same. An official report of such action, signed by the president, secretary and each acting member of said Board of Medical Examiners, stating the result of examination, shall be transmitted to the Medical Council.

**Sec. 12. CERTIFICATE TO ISSUE:** On receiving from either of said Boards of Medical Examiners such official report of the examination of any applicant for certificate for license, the Medical Council shall issue forthwith to each applicant who shall have been returned as having successfully passed the examination a certificate to that effect.

The Medical Council shall keep a record of all certificates, when and to whom issued.

**Sec. 13. APPLICATIONS; FEES; EXEMPTIONS:** From and after the passage of this Act any person not heretofore authorized to practice medicine and surgery in this state, and desiring to enter upon such practice, shall deliver to the secretary of the Medical Council, upon the payment of a fee of ten (\$10) dollars, a written application for examination, together with satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a diploma from some reputable literary or scientific college, or a certificate from the faculty of Delaware College, signed by the president and attested by the secretary thereof, that he or she is qualified to enter the freshman class of the Latin scientific course of the said college; and has received a diploma conferring the degree of Doctor of Medicine, from some legally incorporated medical college, which, in the opinion of the Medical Council,

## DELAWARE

cil, was in good standing at the time of the issuing of the said diploma.

Applicants who have received their degree in medicine after the passage of this Act, must have pursued the study of medicine for at least four years, including four regular courses of lectures of not less than seven months each, in different years, prior to the granting of said degree, in some legally incorporated medical college or colleges approved by the Medical Council. Such proof shall be made upon affidavit. Upon the making of said payment and proof, the Medical Council shall issue to said applicant an order for examination before such one of the State Boards of Medical Examiners as the applicant for certificate may select. In case of failure at any such examination the candidate, after the expiration of six months and within two years, shall have the privilege of a second examination by the same board to which application was first made, without the payment of an additional fee, but if after six months and before two years from such examination said application shall be withdrawn the said ten (\$10) dollars shall upon demand be returned. Provided, that applicants for license who graduate prior to July 1, A. D. 1901, and have been in continuous and reputable practice for at least five years since graduation, may be admitted to the examinations of one of said boards, upon certified and satisfactory evidence of good moral character, of three courses of medical lectures in different calendar years, and of a competent academic education according to the requirements of that time; and provided further, that applicants for license who graduated prior to July 1, A. D. 1896, and have been in continuous and reputable practice for at least ten years, may be admitted to the examination of one of said boards upon certified and satisfactory evidence of moral character, of two courses of medical lectures, in different calendar years, and of a competent academic education according to the requirements at that time.

**Sec. 14. LICENSE REQUIRED; TEMPORARY LICENSE:** That from and after the passage of this Act, it shall not be lawful for any person to practice medicine or surgery in this state without having obtained a license therefor as hereinafter provided. But a temporary license, of not less than two weeks nor more than four months, may be granted to a resident and legally qualified physician of another state, to take charge of the practice of a resident and legally qualified physician of this state, during the latter's temporary illness or absence from the state, upon the written request of a physician residing in this state, and the payment to the secretary of the Medical Council of a fee of two dollars (\$2) for the use of said Council, and when such temporary license is so issued, the physician receiving such license shall have the right to practice medicine in the state of Delaware, for the time specified in said temporary license.

**Sec. 15. CLERK TO ISSUE LICENSE:** The clerk of the peace of any of the counties of this state shall issue a license signed by the governor and countersigned by the secretary of state and sealed with the seal of his office, certifying that such person is authorized to practice medicine and surgery in this state, conformably to the laws thereof, to any person who shall present to him a certificate as provided in this Act, or who shall have been qualified in one of the counties of this state prior to the passage of this Act, and to no other person.

**Sec. 16. CONSULTANTS FROM OTHER STATES:** The provisions of this Act shall not apply to physicians who are practitioners of any other state coming into this state in consultation with any lawful practitioner of medicine and surgery in this state.

**Sec. 17. PENALTIES FOR VIOLATION:** Any person practicing or attempting to practice medicine or surgery within this state contrary to the provisions of this Act, shall be guilty of a misdemeanor and upon conviction thereof in the Court of General Sessions of the Peace and Jail Delivery of the county wherein the offense was committed, shall pay a fine of not more than five hundred (\$500) dollars nor less than

one hundred (\$100) dollars or be imprisoned for a term of not more than one year.

**Sec. 18. NOT TO APPLY TO DENTISTS:** That this Act shall not in any way apply to dentists or to dental surgery.

**Sec. 19. REPEAL:** All other acts or parts of acts regulating the practice of medicine and surgery in this state are hereby repealed; but nothing herein contained shall in any way interfere with the operation of Chapter 117, of Volume 13, Laws of Delaware, relating to revenue.

**Sec. 20. DEFINITION:** For the purposes of this Act and the Act to which this is an amendment, the words, practice of medicine, or surgery, shall mean to open an office for such purpose, or to announce to the public, or to any individual, in any way, a desire or willingness or readiness to treat the sick or afflicted in any county in the state of Delaware, or to investigate or diagnose any physical or mental ailment, or disease, of any person, or to give surgical assistance to, or to suggest, recommend, prescribe or direct for the use of any person, any drug, medicine, appliance or other agency, whether material or not material, for the cure, relief or palliation of any ailment or disease of the mind or body, or for the cure or relief of any wound, fracture, or bodily injury, or deformity, after having received or with the intent of receiving therefor, either directly or indirectly, any money, gift, or any other form of compensation.

It shall also be regarded as practicing medicine within the meaning of this Act if any one shall use in connection with his or her name, the words or letters Dr., Doctor, Professor, M.D., M.B., or Healer, or any other title, word, letter or other designation which may imply or designate him or her as a practitioner of medicine, or surgery, in any of its branches; provided that nothing in this Act nor the Act to which this is an amendment, shall be construed to apply to the administration of domestic or family remedies in cases of emergency, or to dentists or dental surgeons in the practice of dentistry, or to surgeons of the United States Army or Navy in the discharge of their official duties, or to prevent the mechanical application of glasses; provided, that nothing contained in this Act shall prevent opticians from preparing eyes for testing or testing eyes and fitting glasses to correct vision, or to prevent druggists practicing pharmacy according to the existing laws, or to prevent the treatment of corns or bunions or the business of manicuring or the practice of massage. The requirements of Section 1 of this amendment as to general or medical education shall not apply to students now matriculated in medical colleges, but such students shall conform, as to general and medical education, to the requirements of the statutes to which this Act is an amendment.

**Sec. 21. OSTEOPATHS:** Any practitioner of the system, method or science of treating diseases of the human body commonly known as osteopathy, who is a graduate of any legally chartered and regularly conducted school of osteopathy which in the opinion of the Medical Council shall be in good standing, who holds a diploma regularly issued from such school, and who has been in personal attendance as a student in such school for at least four terms of not less than five months each before graduation, and who is now located and practicing in this state, is hereby authorized to so practice, without conforming to, and notwithstanding, any provision of this Act, or the Act to which this Act is an amendment, upon such practitioners of osteopathy paying to the state the state license tax prescribed by law for physicians.

That all other persons proposing to practice osteopathy in this state after the passage of this Act shall be subject to the provisions of this Act and of the Act to which this Act is an amendment, provided that such future applicants to practice osteopathy in this state shall be examined by the Medical Council and some reputable practitioner of osteopathy in this state, or, if there then shall be no reputable practitioner of osteopathy then residing in this state, by the Medical Council and some

practitioner of osteopathy from some other state, to be designated by the Medical Council, and provided further that such future applicants to so practice shall be examined only upon such questions as shall be selected by the Medical Council and such selected associated practitioner of osteopathy in anatomy, physiology, hygiene, chemistry, obstetrics, pathology, physical diagnosis, histology, gynecology, surgery, urinalysis, and principles of osteopathy. Any person who is a holder of a diploma regularly issued by any legally chartered and regularly conducted school of osteopathy, who has been in personal attendance as a student in such school for at least three years for terms of not less than seven months in each year before graduation, and who shall conform to the provisions relative to general education, shall be eligible to such examination by said Medical Council, notwithstanding any of the provisions of this Act.

Upon successfully passing said examination, the applicant to practice osteopathy shall be entitled to receive and shall receive from said Medical Council an appropriate certificate entitling him to practice osteopathy in this state. The clerk of the peace of any of the counties of this state shall, upon the payment of the amount of the state license tax prescribed by law for physicians, issue a license signed by the governor and countersigned by the secretary of state and sealed with the seal of his office, certifying that such person is authorized to practice osteopathy in this state, conformably to the laws thereof, to any person who shall present to him such certificate of the Medical Council or to any practitioner of osteopathy now practicing in this state conformably to the provisions of this Act.

**A Supplement to an Act Entitled "An Act Regulating the Practice of Medicine and Surgery in This State," Passed at Dover, April 18, 1895.**

Be It enacted by the Senate and House of Representatives of the State of Delaware, in General Assembly met:

**Section 1. REVOCATIONS:** That the Medical Council of Delaware may refuse to issue a certificate for a license to practice medicine and surgery or may revoke a certificate issued for a license to practice medicine or surgery for the following causes, to-wit: Chronic and persistent inebriety; the practice of criminal abortion; conviction of a crime involving moral turpitude or for publicly advertising special ability to treat or cure chronic incurable diseases, or where any person shall present to the said Medical Council any diploma, license or certificate that shall have been illegally obtained or that shall have been signed or issued unlawfully or under fraudulent representation; in complaints for violating the provisions of this section the accused person shall be furnished with a copy of the complaint and given a hearing before the said Medical Council in person or by attorney.

**Sec. 2. RECIPROCITY:** That applicants examined and licensed by, or who are, or have been members of State Examining and Licensing Boards of other states upon payment of fifty dollars to the treasurer of the Medical Council of Delaware, and on filing with the secretary of said Medical Council a copy of his or her license or certificate certified to by the affidavit of the president and secretary of such board, showing also that the standard of requirements of the said board at the time the said license or certificate was issued, was substantially the same as that required by the said Medical Council of Delaware, and of his or her affidavit as to the personality thereof, may be granted a certificate for a license to practice medicine and surgery by the said Medical Council upon the recommendation of the said Boards of Medical Examiners without further examinations thereby.

**Sec. 3. EXPENSES OF MEMBERS:** That the state treasurer shall pay the sum of three hundred dollars per annum, in quarterly payments of seventy-five dollars each, to the treasurer of the Medical Council of Delaware, who shall apportion and pay the same to the members of the said boards for

their necessary expenses, and in addition five dollars per day each for each member for every meeting attended, but said per diem shall not exceed in any one year more than twenty-five dollars.

Approved March 10, A. D., 1899.

## PHYSICIANS OF DELAWARE

**EXPLANATORY NOTE.**—The present Medical Practice Act became effective April 18, 1895. Certificates granted by the Medical Council must be registered with the County Clerk of the Peace.

## KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in capitals signify membership in the County Society and State Association. (DOE, JOHN).  
 \* Indicates Fellowship in the American Med. Assn. (DOE, JOHN\*).  
 (b'73) Year of birth. [medic.  
 H. b.—Path.; E. eclectic; P.-M., physio-  
 M.L.'79, College and year of graduation.  
 Information received does not show grad-  
 uation.

(l'89) Year of license.  
 (s) In practice before passage of present law and licensed by filing diploma or by years of practice.  
 (lt) Licensed but year not known.  
 (i) Information received does not show license.  
 U.S.A., United States Army.  
 M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.  
 M.R.C., U.S.N., Medical Reserve Corps.  
 U.S.P.H.S., United States Public Health Service.  
 College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.  
 (A13, B6, C4) Membership in special Societies. (See Key Table, page 122)

## SPECIALTIES ARE INDICATED AS FOLLOWS:

S.—Surgeon.  
 Ob.—Obstetrician.  
 ObG.—Obstetrician, Gynecologist.  
 G.—Gynecologist.  
 Or.—Orthopedist.  
 Pr.—Proctologist.  
 Op.—Ophthalmologist.  
 A.—Aurist.  
 LR.—Laryngologist, Rhinologist.

ALR.—Aurist, Laryngologist, Rhinologist.  
 OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.  
 U.—Urologist.  
 D.—Dermatologist.  
 Pd.—Pediatrist.  
 N.—Neurologist.  
 P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.  
 I.—Internist.  
 T.—Tuberculothorapist.  
 Anes.—Anesthetist.  
 LD.—Laboratory Diagnostician. [E1  
 R.—Actinologist, Radiologist, Roentgenolo-  
 Path.—Pathologist.  
 Bact.—Bacteriologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAW OF THE DISTRICT OF COLUMBIA

### An Act

To Regulate the Practice of Medicine and Surgery, to License Physicians and Surgeons, and to Punish Persons Violating the Provisions Thereof in the District of Columbia.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled:

Section 1. CREATION OF BOARD: That there shall be, and is hereby, created a Board of Medical Supervisors of the District of Columbia, which shall consist of the presidents of the three boards of medical examiners hereinafter provided for and two persons, not physicians, one of whom shall be learned in the law, to be appointed by the commissioners of the District of Columbia, each for a period of three years, or until his successor is appointed: Provided, That not more than two members of the board of supervisors shall be adherents of any one system of medical practice; and provided, further, that said commissioners may remove, after due notice and hearing, any member of said board for neglect of duty or other just cause, and that in case of the death, resignation or removal of any member the vacancy for the unexpired term of said member shall be filled in the same manner as other appointments are made.

Sec. 2. ORGANIZATION: That the said Board of Medical Supervisors shall elect a president, a vice-president, and a secretary. Said board shall make, subject to the approval of the commissioners of the District of Columbia, such regulations as may be necessary to carry into effect the provisions of this Act. Said board shall hold such meetings as shall be necessary for the transaction of business. Said board shall supervise all examinations provided for in this Act, and shall issue all licenses to practice medicine and surgery or midwifery in the District of Columbia. Said board shall keep an official record of its meetings, also an official register of all applicants for examination for licenses to practice medicine and surgery in the District of Columbia. Said register shall show the name, age, place and duration of residence of each candidate, the time he or she has spent in medical study, in or out of medical schools, and the names and locations of all medical schools which have granted said applicant any degree or certificate of attendance upon lectures in medicine. Said register shall also show whether said applicant was rejected or licensed under this Act. Said register shall be prima facie evidence of all matters contained therein. The secretary aforesaid may be elected by said board from others than its own members; said secretary shall also act as treasurer, and shall give such bond as may be required by the Commissioners of the District of Columbia; said secretary shall have the power to administer oaths upon such matters as pertain to the business of said board; said secretary shall mail to the address of each applicant a notice of the time and place of examination, not less than seven days before the examination, and at

a longer period if requested by the applicant at the time of making application.

Sec. 3. APPLICATIONS: That from and after the passage of this Act all persons desiring to practice medicine and surgery in any of their branches in the District of Columbia shall apply to said Board of Medical Supervisors for a license to do so. Applicants shall submit to examination upon the following named branches, to-wit: Anatomy, physiology, chemistry, pathology, materia medica and therapeutics, hygiene, histology, practice of medicine, surgery, obstetrics and gynecology, diseases of the eye and the ear, medical jurisprudence, and such other branches as said board shall deem advisable. Each applicant shall be certified by said board for examination as speedily as possible to the board of medical examiners whose members are adherents to the system of medicine which said applicant desires to practice; but said board shall not certify for examination any applicant until satisfactory proof is furnished that he or she is of good moral character, and over twenty-one years of age, nor until he or she has presented a diploma conferring upon him or her the degree of doctor of medicine, issued by some medical college authorized by law to confer such degree: Provided, That said diploma, if issued prior to July 1, 1898, shall be accompanied by satisfactory evidence that said applicant has studied medicine and surgery for not less than three years prior to the issue thereof, and if issued subsequent to June 30, 1898, shall be accompanied by satisfactory evidence that the applicant has studied medicine and surgery for not less than four years prior to the issue of said diploma. All examinations shall be both theoretical and practical, and of sufficient severity to test a candidate's fitness to practice medicine and surgery.

Sec. 4. FEES: That said application for a license to practice medicine and surgery in the District of Columbia shall be made to the secretary of the said Board of Medical Supervisors upon a form prescribed by said board, and shall be accompanied by a fee of \$10. Each application shall be in the hands of said secretary not less than two weeks before the day set for examination, and any application may be rejected for refusal to furnish any of the information called for or for other irregularity. All applications shall be kept on file by said secretary.

Sec. 5. THREE BOARDS PROVIDED FOR: That immediately after the passage of this Act the Commissioners of the District of Columbia shall appoint three boards of medical examiners, one to be known as the Board of Medical Examiners of the District of Columbia and to be composed of five physicians in good standing, adherents to the regular system of medical practice; one to be known as the Board of Homeopathic Medical Examiners of the District of Columbia and to be composed of five physicians in good standing, adherents to the homeopathic system of medical practice, to be selected from a list of not less than ten names, submitted by a majority vote at some regular meeting of the Washington Homeopathic Medical Society; and one to be known as the Board of Eclectic Medical Examiners of the District of Columbia, to be composed of five physicians in good standing, adherents of the eclectic system of medical practice, to be selected from a list of not less than ten names, submitted by a majority vote at some regular meeting of the Eclectic Medical Society of the District of Columbia. Of the members of each board first appointed one shall be appointed to serve one year, two to serve two years, and two to serve three years, and thereafter each member of each

board shall be appointed to serve three years, or until his successor is appointed: Provided, That no member of either of said boards shall have been engaged in the practice of medicine and surgery in the District of Columbia for less than five years at the time of his appointment; And provided further, That in event of the failure of the Washington Homeopathic Medical Society or of the Eclectic Medical Society of the District of Columbia, after fifteen days notice by the Commissioners of the District of Columbia, to submit the list of names aforesaid, said Commissioners may appoint the members of the Board of Homeopathic Medical Examiners or of the Board of Eclectic Medical Examiners without restriction as to nomination by the society in default; And provided further, That said Commissioners may at any time remove any member of either of the boards named in this Act for neglect of duty or other just cause, and that in case of the death, resignation or removal of any member the vacancy for the unexpired term of said member shall be filled in the same manner as other appointments are made.

Sec. 6. ORGANIZATION: That each member of said Boards of Medical Examiners of the District of Columbia shall, before entering on the discharge of his duties, take an oath to administer fairly and impartially the provisions of this Act. Each board shall elect from its own members a president and secretary. Each board shall hold a meeting for examination in the city of Washington on the second Tuesday in January, April, July and October of each year, and continue so long as may be necessary to examine all applicants, and other meetings shall be held at such times as the Board of Medical Supervisors shall direct. Each of said boards shall examine, at the meeting immediately following the receipt of the proper certificates from the Board of Medical Supervisors, all applicants for licenses to practice medicine and surgery in the District of Columbia so certified.

Sec. 7. EXAMINATIONS: That the several Boards of Medical Examiners shall, not less than one week prior to each examination, submit to the Board of Medical Supervisors of the District of Columbia questions for thorough examinations in anatomy, physiology, chemistry, pathology, materia medica and therapeutics, hygiene, histology, practice of medicine, surgery, obstetrics and gynecology, diseases of the eye and the ear, medical jurisprudence and such other branches as said Board of Medical Supervisors may direct. From the lists of questions so submitted said Board of Medical Supervisors shall select the questions for each examination, and such questions shall be the same for all candidates, except that in the departments of therapeutics, practice of medicine, and materia medica, the questions shall be in harmony with the system of medicine selected by the candidate. Said examinations shall be conducted orally and in writing, in accordance with the rules and regulations prescribed by the Board of Medical Supervisors, and shall embrace the subjects as stated in Section 3 of this Act. An official report of the result of each examination, signed by the president and the secretary and each acting member of the Board of Medical Examiners conducting such examination, stating the average attained by each candidate in each branch, the general average, and the result of the examination, whether successful or unsuccessful, shall be transmitted to the Board of Medical Supervisors within fifteen days from the date of such examination. Said reports shall embrace all the examination papers, questions and answers thereto. All such examination

## DISTRICT OF COLUMBIA

papers shall be kept for reference and inspection for a period of not less than five years.

**Sec. 8. LICENSE:** That if in the opinion of a majority of the Board of Medical Supervisors, after a careful examination of the report of the Board of Medical Examiners by which any applicant was examined, said applicant has fairly and successfully passed such examination as hereinbefore provided for, the Board of Medical Supervisors of the District of Columbia shall, as soon thereafter as possible, issue to him a license signed by the president and the secretary of said board and attested by the seal of the District of Columbia, which license shall entitle said applicant, after it is registered as herein-after provided to practice medicine and surgery in the District of Columbia. All licenses issued by said board shall be numbered consecutively, and a register shall be kept by the secretary showing the number of each issue, date of issue and to whom issued.

**Sec. 8a. LICENSE WITHOUT EXAMINATION:** That the Board of Medical Supervisors of the District of Columbia be, and is hereby, authorized and directed to license to practice medicine and surgery in said District, without examination, any applicant for such license who has been engaged in the practice of medicine and surgery in any other jurisdiction, whether a state, territory or insular possession of the United States, or a foreign country, subject to the following conditions:-

"(a) No applicant shall be licensed who is not of good moral character and free from mental defects and drug habits liable to interfere with the proper practice of medicine and surgery.

"(b) Nor who, at the time of making application, and for not less than two years prior to the date thereof, has not been lawfully authorized to practice medicine and surgery, and actually engaged in such practice, in the jurisdiction wherein he resides;

"(c) Nor unless the applicant acquired the right to practice medicine and surgery in such jurisdiction under conditions equivalent to those with which he would have had to comply in order then to have practiced medicine and surgery in the District of Columbia;

"(d) Nor unless the jurisdiction, by virtue of whose license the applicant seeks exemption from examination in the District of Columbia, grants to licentiates of the Board of Medical Supervisors of said District privileges equivalent to those which the applicants seek;

"(e) Nor until the applicant has paid to the Board of Medical Supervisors aforesaid such fee as may be fixed and required by the regulations of said board, but not more than the fee charged under similar circumstances by the jurisdiction by virtue of whose license the applicant seeks exemption from examination.

"And said Board of Medical Supervisors is further authorized and directed to issue in favor of its licentiates such certificates, if any, as may be necessary to enable such licentiate, without examination, to obtain licenses to practice medicine and surgery in other jurisdictions, and to collect for the issue of such certificates such fees as may be necessary to defray the cost of issuing the same and to use such fees for that purpose.

"And said Board of Medical Supervisors is further authorized to determine all matters of fact required to be determined in the execution of the provisions of this section."

**Sec. 9. MIDWIFERY:** That the Board of Medical Supervisors of the District of Columbia shall make, subject to the approval of the Commissioners of said District, such regulations as may be necessary to determine the qualifications of women desiring hereafter to commence the practice of midwifery in the District of Columbia, and shall issue licenses to such as are, after examination, found qualified; but no fee shall be charged for the examination of any applicant for such license, and no applicant who has been rejected shall be re-examined within one year from such rejection; Pro-

vided, That a license shall be issued upon application, free of cost and without examination, to each midwife registered at the Health Office of the District of Columbia at the time of the passage of this Act.

**Sec. 10. REVOKING LICENSES:** That the Board of Medical Supervisors of the District of Columbia may, by a vote of four members, refuse to grant or may revoke a license, and may cause the name of any person to be removed from the record of the Supreme Court of the District of Columbia and from the register of the Health Office for any of the following causes, to-wit: The employment of fraud or deception in passing the examinations provided for in this Act, chronic inebriety, the practice of criminal abortion, conviction of crime involving moral turpitude, or of unprofessional or dishonorable conduct. In complaints under this section the accused shall be furnished with a copy of the complaint and given a hearing before said board in person or by attorney, and witnesses may be heard for and on behalf of the accused, and for and on behalf of the said board. Appeal from the decision of said board may be taken to the court of appeals of the District of Columbia, and the decision of said court shall be final. Said board may at any time within two years from the refusal or revocation of a license or the cancellation of registration under this section, by a vote of four members, issue, without examination, a new license to the person so affected, restoring to him or her all the rights and privileges of which he or she had been deprived by said board.

**Sec. 11. RECORDING LICENSE:** That any person receiving a license as hereinbefore provided shall have it recorded in the office of the clerk of the supreme court of the District of Columbia within three months from the date of said license, and the place and date of record shall be certified thereon by said clerk; and the holder of the license shall pay to the clerk of said court a fee of 50 cents for making the record. The holder of said license shall, after the same has been recorded, exhibit the same at the Health Office, and shall register, in a book provided for that purpose, his or her name and address. Whenever a license is revoked by said Board of Medical Supervisors the secretary thereof shall report that fact in writing to the clerk of said court and to the Health Officer of the District of Columbia, who shall thereupon cancel such registration.

**Sec. 12. EXEMPTIONS:** That this Act shall not apply to commissioned surgeons of the United States Army, Navy or Public Health Service, nor to regularly licensed physicians and surgeons in actual consultation from other states or territories, nor to regularly licensed physicians and surgeons actually called from other states or territories to attend specified cases in the District of Columbia, nor to the treatment of any case of actual emergency, nor to the practice of massage or the so-called Swedish movement cure, nor to the use of ordinary domestic remedies without fee, gift or consideration of any kind.

**Sec. 13. PENALTIES:** That from and after the passage of this Act any person practicing medicine and surgery or midwifery in the District of Columbia, or who shall publicly profess to do so, without first having obtained from the Board of Medical Supervisors of the District of Columbia a license and registered the same as herein provided, or in violation of any of the provisions of this Act or any of the rules and regulations made by authority conferred herein, or after his license or registration has been canceled by order of said Board of Medical Supervisors of the District of Columbia, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished for each offense by a fine of not less than \$50 nor more than \$500, or by imprisonment in the district jail for a period of not less than ten nor more than ninety days, or by both such fine and imprisonment. It shall be the duty of the United States District Attorney for the District of Columbia to prosecute all violations of the provisions of this Act.

**Sec. 14. EXPENSES OF TESTIMONY AND EXAMINATIONS:** That the secretary of the Board of Medical Supervisors shall be paid for taking testimony the same fee that is allowed an examiner in chancery for the same service. The expense of said board and of the examinations shall be paid from the license fees herein provided for; and if any surplus remain on the 30th day of June of each year the members of said Board of Medical Supervisors appointed as such shall be paid such reasonable compensation as the Commissioners of the District of Columbia may determine, and any balance then remaining shall be divided among the three Boards of Medical Examiners in proportion to the number of candidates examined, each member of each Board of Medical Examiners to receive such part of the entire amount paid as that board itself shall determine.

**Sec. 15. DENTISTRY:** That nothing in this Act shall be construed to conflict with an act for the regulation of the practice of dentistry in the District of Columbia, approved June 6, 1892, nor to interfere with graduates of standard dental colleges, registered under the provisions of said act, in the exercise of their profession to the extent and within the limit of the curriculum of such standard dental colleges.

**Sec. 16. REPEAL:** That all acts or parts of acts, general or special, not in accordance with the provisions of this Act be, and are hereby, repealed.

Approved June 3, 1896.

## MEDICAL PRACTICE LAW OF FLORIDA

Law Effective May 31, 1889, and Sections 801, 802, 805 and 810 as Amended by the Legislature of 1905 and Approved by the Governor May 15, 1905.

Be it enacted by the Legislature of the State of Florida:

Section 1. APPOINTMENT: That Section 801 of the Revised Statutes of the State of Florida be amended so as to read as follows:

801. APPOINTMENT OF MEDICAL EXAMINERS: The Governor shall appoint a State Board of Medical Examiners and also a State Board of Homeopathic Medical Examiners.

Sec. 2. QUALIFICATIONS OF EXAMINERS; ORGANIZATION: That Section 802 of the Revised Statutes of the State of Florida be amended so as to read as follows:

802. QUALIFICATION OF EXAMINERS: The State Board of Medical Examiners shall be composed of seven regular practicing physicians, who have been duly licensed to practice in this state; no two members shall be residents of the same judicial circuit. The Board of Homeopathic Examiners shall be composed of three practicing homeopathic physicians who are graduates in good standing of some medical college recognized by the American Institute of Homeopathy.

803. TERMS OF OFFICE: The appointment of each member of each of said boards shall continue for four years from the date of such appointment. Whenever a vacancy shall occur on any of said boards, the same shall be filled by the Governor for the unexpired term.

804. TO ELECT PRESIDENT AND SECRETARY AND MAKE RULES: Every board shall elect one of their number president and one secretary, and shall adopt all necessary rules for the guidance and control of their meetings.

Sec. 3. That Section 805 of the Revised Statutes of the State of Florida be amended so as to read as follows:

805. REGULAR MEETINGS: Each board shall meet regularly semi-annually at some central and convenient point in the state to conduct examinations and grant licenses, as herein provided, and they shall give at least one month's public notice of their meeting by publication once a week in a newspaper of general circulation throughout the state.

806. EXAMINATION: It shall be the duty of said Boards of Examiners to examine thoroughly every applicant for certificate of qualification to practice medicine in any of its branches or departments on the production of his medical diploma from a recognized college on the following named subjects: Anatomy, physiology, surgery, gynecology, therapeutics, obstetrics, and chemistry, but no preference shall be given to any school of medicine; provided that it shall be the duty of the Board of Homeopathic Medical Examiners to examine thoroughly every applicant for certificate of qualifica-

tion to practice medicine in any of its branches or departments on the production of his diploma from a college recognized by the American Institute of Homeopathy on the following subjects: Anatomy, physiology, surgery, gynecology, materia medica, therapeutics, obstetrics and chemistry, and no preference shall be given to any school of medicine. (As amended by Chapter 4419, Acts of 1895.)

807. When the board shall be satisfied as to the qualifications of an applicant, they shall grant to him a certificate to that effect, which certificate shall entitle the person to whom granted to practice medicine in any county when the same shall have been recorded, as required by Section 809.

808. TWO MAY GRANT CERTIFICATES; TEMPORARY CERTIFICATES: Any two members of said board may grant a certificate of qualification to an applicant, and any member of said board shall have authority to grant a temporary certificate to an applicant, on examination until the next regular meeting of the board, at which time the temporary certificate shall cease to be of force.

809. RECORD OF CERTIFICATE: The certificate provided for in the two preceding sections shall, before the person to whom it is granted shall be entitled to practice by virtue thereof, be recorded in the office of the clerk of the circuit court in the county in which such practitioner may reside or sojourn, in a well-bound book to be kept by the clerk for that purpose, and when so recorded the clerk shall certify thereon, under his official seal, the fact and date of such record, and shall return such certificate to the person to whom the same was granted, and shall be entitled for such service to collect from the holder of such certificate the legal fee for recording.

Sec. 4. That Section 810 of the Revised Statutes of the State of Florida be amended so as to read as follows:

810. EXAMINATION FEE: The board shall be entitled to demand and receive from each applicant examined the sum of fifteen dollars, whether a certificate be granted to such applicant or not.

811. CERTIFICATES TO FORMER PRACTITIONERS: All practitioners who have been engaged in the practice of medicine, in any of its departments, in this state, prior to May 31, 1889, shall, on the production of a diploma from a medical college recognized by the American Medical Association, be granted by the Board of Examiners a certificate of qualification, without further examination and without charge.

812. PROVISIONS NOT TO APPLY TO CERTAIN PERSONS: The provisions of this chapter shall not apply to persons who have heretofore received certificates of qualification and have recorded the same as provided by the laws of this state heretofore existing, nor to females who follow the practice of midwifery strictly as such. No person, except those described in this section, shall be permitted to practice medicine in any of its branches or departments without first having obtained and recorded a certificate of qualification from some authorized board of medical examiners as hereinbefore provided.

## STATE BOARD OF HEALTH

Hon. F. J. Fearnside, President, Palatka; Hon. C. G. Memminger, Lakeland; S. R. Mallory Kennedy, M.D., Pensacola; Joseph Y. Porter, M.D., Secretary and State Health Officer; offices, Jacksonville and Key West.

Palm Beach Sanitarium, West Palm Beach, Fla. Established 1912; private; 30 beds; C. M. Merrill, W. F. Robinson and R. O. Cooley, physicians in charge.

## PHYSICIANS OF FLORIDA

**EXPLANATORY NOTE.**—The present Medical Practice Act became effective May 15, 1905. Previous to the passage of this law, there were eight boards of district examiners, each being practically independent of the others. Owing to the incomplete records obtainable, the date of license is lacking in many cases. In those cases in which the license date is lacking, (†), they are known to be legally qualified physicians, but year of license not known.

## KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in capitals signify membership in the County Society and State Association. (DOE, JOHN).

⊕ Indicates Fellowship in the American Med. Assn. (DOE, JOHN⊕).

(b'75) Year of birth. [medic.

H, homeopath; E, eclectic; P-M, physio-Md. '09, College and year of graduation.

◊ Information received does not show graduation.

(†'89) Year of license.

(§) In practice before passage of present law and licensed by filing diploma or by years of practice.

(††) Licensed but year not known.

(§) Information received does not show license.

U.S.A., United States Army.

M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.

M.R.C., U.S.N., Medical Reserve Corps.

U.S.P.H.S., United States Public Health Service.

College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.

(A1,3, B6, C4) Membership in special Societies. (See Key Table, page 122.)

S.—Surgeon.

Ob.—Obstetrician.

ObG.—Obstetrician, Gynecologist.

G.—Gynecologist.

Or.—Orthopedist.

Pr.—Proctologist.

Op.—Ophthalmologist.

A.—Aurist.

LR.—Laryngologist, Rhinologist.

## SPECIALTIES ARE INDICATED AS FOLLOWS:

ALR.—Aurist, Laryngologist, Rhinologist.

OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.

U.—Urologist.

D.—Dermatologist.

Pd.—Pediatrist.

N.—Neurologist.

P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.

I.—Internist.

T.—Tuberculothorapist.

Anes.—Anesthetist.

LD.—Laboratory Diagnostician. [glst.

R.—Actinologist, Radiologist, Roentgenolo-

Path.—Pathologist.

Bact.—Bacteriologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAW OF GEORGIA

### An Act

To Abolish the Present State Board of Medical Examiners and to Establish a Composite Board of Medical Examiners for the State of Georgia. To define its duties and powers; to protect the people from illegal and unqualified practitioners of medicine and surgery; to define the standing of a medical college; to regulate the issuing and recording of licenses; to define what is considered the practice of medicine; to fix fee for license; to provide for the revocation of license; to require a standard of preliminary education of applicants; to prescribe the penalties for the violation of this Act and for other purposes.

Section 1. **REPEAL OF OLD LAW:** Be it enacted by the General Assembly of the State of Georgia, That from and after the passage of this Act Sections 1687, 1688, 1689, 1690, 1691, 1692, 1693, 1694, 1695, 1696, 1697, of Volume 1 of Code of 1910, creating a Board of Medical Examiners and defining their powers and duties, be and the same are hereby repealed in their entirety.

Sec. 2. **BOARD; QUALIFICATIONS:** Be it further enacted that a board is hereby established to be known by the name and style of the State Board of Medical Examiners; said board shall be composed of ten practicing physicians of integrity and ability, who shall be residents of and have been duly licensed to practice medicine in this state, and who shall have graduated from reputable medical schools and have been engaged in the active practice of their profession within this state for at least a period of five years, but none of them shall be connected in any way with any medical college; said board shall perform such duties and possess and exercise such powers relative to the protection of the public health and the control and regulation of the practice of medicine in the state as shall be in this Act prescribed and conferred upon it.

Sec. 3. **BOARD; HOW CONSTITUTED:** Be it further enacted, That the Governor shall within thirty days after the passage of this Act appoint ten physicians, who shall possess the qualifications specified in Section 1 of this Act, to constitute the members of this board. Five members of this board shall be regular physicians, three shall be eclectic physicians and two shall be homeopathic physicians, all to be appointed by the Governor.

The successor of each member shall be an appointee in the same manner.

Said members shall be so classified by the Governor that the term of office of two shall expire in one, three in two, two in three and three in four years from the date of appointment. Annually thereafter the governor shall appoint two members, each of whom shall serve for a term of four years, and these appointments shall be made so as to preserve the original ratio of regulars, eclectics and homeopathics respectively. The governor shall have power to remove from office members of the board for neglect of duty required by this Act, for incompetency

or for unprofessional conduct. Any vacancy that may occur in said board in consequence of death, resignation, removal from the state or from other cause shall be filled for the unexpired term by the Governor in the same manner. A majority of the board shall constitute a quorum.

Sec. 4. **MEMBER; OATH OF OFFICE:** Be it further enacted, That immediately and before entering upon the duties of said office, the members of said board shall take the constitutional oath of office and shall file the same in the office of the Governor of the state, who, upon receiving the said oath of office, shall issue to each member a certificate of appointment.

Sec. 5. **ORGANIZATION; MEETINGS:** Be it further enacted, That immediately after the appointment and qualification of said members, said board shall meet and organize. Said board shall elect a president, a vice-president and a secretary-treasurer from its membership whose salaries shall be fixed and paid by the board. All expenses of the board shall be paid out of funds collected by the board, the remainder to be divided equally among the members of the board. Said board shall hold two regular meetings in each year, one meeting shall be held in May or June, at such time as suits the convenience of graduates of medical colleges in Atlanta and Augusta; the other meeting shall be held on the second Tuesday in October in the State Capitol. Call meetings may be held at the discretion of the president. The regular meetings shall be held at the capitol building in Atlanta and in Augusta. Said board shall adopt a seal, which must be affixed to all licenses issued by it. The board shall from time to time adopt such rules and regulations as it may deem necessary for the performance of its duties, and shall examine and pass upon the qualifications of applicants for the practice of medicine in this state as herein prescribed.

Sec. 6. **APPLICATIONS FOR LICENSE:** Be it further enacted, That any person wishing to obtain the right to practice medicine in this state who has not heretofore been registered or licensed so to do, shall, before it shall be lawful for him to practice medicine in this state, make application to the board through the secretary-treasurer thereof, upon such form and in such manner as shall be adopted and prescribed by the board, and obtain from the board a license so to do. Unless such person shall have obtained a license as aforesaid, it shall be unlawful for him to practice in this state, and if he shall practice medicine in this state without first having obtained such a license, he shall be deemed to have violated the provisions of this Act. All applicants for a license to practice medicine or for a renewal of any such license which has been revoked shall furnish the board with evidence of good moral character. Applications from candidates to practice medicine or surgery in any of its branches shall be accompanied with proof that the applicant is a graduate of a legally incorporated medical college or institution in good standing with the board. The board shall have the power to revoke the certificate granted to any applicant who makes any misstatement of any material fact in his application for examination. Each applicant shall name in his application the system of practice he proposes to follow. And no person shall use the name of any system unless he holds a certificate from the board.

Sec. 7. **RECORDING LICENSE:** Be it further enacted, That before any person who obtains a certificate from said board may lawfully practice medicine and surgery in

this state, he shall cause the said certificate to be recorded in the office of the clerk of the superior court of the county in which he resides. The certificate shall be recorded by the clerk in a book kept for that purpose. It shall be indexed in the name of the person to whom the certificate is granted. The clerk's fee for recording the certificate shall be the same as for recording a deed. The clerk shall make a report to the secretary of the board on the 31st day of December of each year of all certificates registered with him. Each applicant receiving a certificate from the board shall cause the same to be registered within thirty days.

Sec. 8. **ACCREDITED COLLEGES:** Be it further enacted, That said board shall be empowered by this Act to pass upon the good standing and reputability of any medical college. Only such medical colleges will be considered in good standing as possess a full and complete faculty for the teaching of medicine, surgery and obstetrics in all their branches; afford their students adequate clinical and hospital facilities; require attendance upon at least 80 per cent. of each course of instruction; give four graded courses of instruction, the aggregate of which amounts to at least 120 weeks, exclusive of holidays, of at least forty hours each week; that require at least forty-two months to have elapsed between the beginning of the students first course of medicine lectures and the date of his graduation, each session composed of twenty-nine weeks of actual instruction with at least 40 per cent. of laboratory instruction in the first and second years and a minimum of 35 per cent. of clinical work in the third and fourth years; that require an average grade in each course of instruction of at least 75 per cent. in examination as a condition of graduation; that fulfill all their published promises, requirements and other claims respecting advantages to their students and the course of instruction; that enact a preliminary educational requirement equal to that specified by this Act; that require students to furnish testimonials of good moral standing, and that give advanced standing only on cards from accredited medical colleges. Students must have attended at least 80 per cent. of the course in the last year of the college from which diploma is presented. In determining the reputability of the medical college, the right to investigate and make a personal inspection of the same is hereby authorized.

Sec. 9. **PRELIMINARY EDUCATIONAL REQUIREMENT:** Be it further enacted, That beginning with the session of 1913-14 each medical school or college in good standing with the board shall have a minimum preliminary educational requirement of fourteen Carnegie units. Evidence of such preliminary education shall be a certificate furnished by the professor of secondary education in the State University on the basis of the rating of the high schools in this state or on the basis of an examination conducted by him or by some person designated by him. A fee of two dollars shall accompany each application for a certificate and a like amount shall be paid by the applicant for each separate subject upon which he may be required to be examined.

Sec. 10. **TEMPORARY LICENSE:** Be it further enacted, That in the discretion of the secretary-treasurer of said board with the approval of the president, he may issue temporary license to an applicant which shall have the same force and effect of a permanent license until the next regular meeting of the board when said license shall become void. Said license shall not be recorded.

**Sec. 11. METHODS AND SUBJECTS OF EXAMINATION:** Be it further enacted, That examination of applicants for license to practice medicine shall be made by said board according to the methods deemed by it to be the most practical and expeditious to test the applicants' qualifications. The board shall require the examination to be in writing. Each applicant shall be designated by a number instead of his name, so that his identity shall not be disclosed to the members of the board until after the examination papers are graded. Examination shall be on the following subjects: Anatomy, physiology, chemistry, hygiene, surgery, obstetrics, gynecology, pathology and diagnosis.

**Sec. 12. FEES; RECIPROCITY:** Be it further enacted, That there shall be paid to the secretary-treasurer of said board by each applicant for license by examination a fee of twenty dollars which shall accompany the application. The same fee shall be charged for issuing a temporary license, which includes fee for examination for permanent license; and a fee of fifty dollars shall be charged for issuing a license by reciprocity. The Board of Examiners may grant a license without examination to licentiates of boards from other states requiring equal or higher qualifications, upon the same basis as such states reciprocate with the state of Georgia. No part of any fee is returnable under any circumstances, nor shall this Act be construed as affecting or changing in any way laws in reference to license tax to be paid by physicians and surgeons.

**Sec. 13. POWERS OF BOARD; PROSECUTIONS:** Be it further enacted, That said board shall have authority to administer oaths, to summon witnesses and take testimony in all matters relating to its duties. Said board shall issue license to practice medicine to all persons who shall furnish satisfactory evidence of attainments, and qualifications under the provisions of this Act, and the rules and regulations under the provisions of this Act, and the rules and regulations of the board. Such license shall be signed by the president and attested by the secretary-treasurer of the board under its adopted seal, and it shall give absolute authority to the person to whom it is issued to practice medicine in this state. It shall be the duty of the secretary-treasurer under the direction of the board personally or by deputy to aid the solicitors of the state in the enforcement of this Act, and in the prosecution of all persons charged with violation of provisions.

**Sec. 14. REFUSAL TO GRANT LICENSE; REVOCATIONS:** Be it further enacted, That said board may refuse to grant a license to practice medicine in this state, or may cause a licentiate's name to be removed from the records in the office of any clerk of court in this state, on the following grounds, to-wit: The employment of fraud or deception in applying for license or in passing the examination provided for in this Act, conviction of crime involving moral turpitude; the practice of medicine under a false or assumed name, or the impersonation of another practitioner of a like or different name; habitual intemperance in the use of ardent spirits, narcotics or stimulants to such an extent as to incapacitate him for the performance of professional duties; the procuring or aiding or abetting in procuring a criminal abortion; the obtaining of a fee on representation that a manifestly incurable disease can be permanently cured; causing the publication and circulation of an advertisement of any medicine by means whereby the monthly periods of women can be regulated or the menses, if suppressed, can be established; causing the publication and circulation of an advertisement relative to any disease of the sexual organs; said board may, upon satisfactory proof made that any licentiate has been guilty of any of the offenses above enumerated, suspend said licentiate from the practice of medicine, and call in the license of said licentiate upon a majority vote of said board; provided, however, that said suspended physician shall have a right to appeal to a jury in the superior court of the county of his residence, and it shall be

the duty of said board to prefer in writing the charge or charges against said physician, which shall be tried by a jury regularly empanelled and sworn. Said physician, the defendant in said proceedings, shall be entitled to an appeal to the supreme court. In the event of conviction by the jury on any of the charges preferred, the license of said physician shall be revoked. However, at any time after six months from date of said conviction, said board may by a majority vote issue a new license or grant a license to the person affected, restoring or conferring all the rights and privileges of and pertaining to the practice of medicine as defined and regulated by this Act. Any person to whom such rights and privileges have been so restored shall pay to the secretary-treasurer a fee of twenty dollars on the issuance of a new license.

**Sec. 15. DEFINITION OF PRACTICE OF MEDICINE:** Be it further enacted, That the terms "practice of medicine," "to practice medicine," "practicing medicine" and "practice medicine," as used in this Act, are hereby defined to mean holding one's self out to the public as being engaged within this state in the diagnosis or treatment of diseases, defects or injuries of human beings, or the suggestion, recommendation or prescribing of any form of treatment for the intended palliation, relief or cure of any physical, mental or functional ailment or defect of any person, with the intention of receiving therefor either directly or indirectly any fee, gift or compensation whatsoever, or the maintenance of an office for the reception, examination and treatment of any person suffering from disease, defect or injury of body or mind, or attaching the title M.D., Oph.D., Dop., Surgeon, Doctor, either alone or in connection with other words, or any other words or abbreviation to his name indicative that such person is engaged in the treatment or diagnosis of disease, defects or injuries of human beings. If any person shall hold himself out to the public as being engaged within this state in the diagnosis or treatment of disease or injuries of human beings, or shall suggest, recommend or prescribe any form of treatment for the palliation, relief or cure of any physical or mental ailment of any person with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever or shall maintain an office for the reception, examination or treatment of disease or injured human beings, or shall attach the title M.D., Oph.D., Dop., Surgeon, Doctor, either alone or in connection with other words, or any other word or abbreviation to his name indicative that he is engaged within this state in the treatment of diseased, defective or injured human beings, and shall not in any of these cases then possess in full force and virtue a valid license to practice medicine under the laws of this state, he shall be deemed to be practicing medicine without complying with the provisions of this Act and in violation thereof. Nothing in this Act shall be construed to prohibit gratuitous service in the cases of emergency nor the practice of the religious tenets or general beliefs of any church whatsoever nor to osteopaths not prescribing medicine or administering drugs, nor to permanently located opticians at their established places of business not prescribing or using drugs or medicines, nor requiring a fee for examination, or attaching to their names titles indicative that any such person is engaged in the practice of medicine as defined in this Act. Nor shall it apply to commissioned surgeons of the United States Army or Public Health Service while so engaged, nor to regularly licensed physicians called in consultation from other states or territories to attend to special cases in this state, nor to the practice of dentistry, nor to midwives or nurses.

**Sec. 16. ILLEGAL PRACTITIONERS; PENALTIES:** Be it further enacted, That any person guilty of practicing medicine in this state without complying with the provisions of this Act, or any person who shall violate the provisions of this Act and upon conviction thereof shall be punished as for a misdemeanor, according to Section 1065 of the Penal Code of Georgia, Volume 2. Any

person presenting or attempting to file as his own the diploma or certificate or credentials of another, or who shall give false or forged evidence of any kind to the board or any member thereof in connection with an application for a license to practice medicine, or shall practice medicine under a false or assumed name, or shall falsely impersonate another practitioner of a like or different name, shall be deemed guilty of a felony and upon conviction thereof shall be punished by a fine of not less than \$500 or more than \$1,000 or by a term of from two to five years in the penitentiary of this state, subject to the provisions of Section 1062 of the Penal Code of Georgia.

**Sec. 17.** Be it further enacted, That all laws and parts of laws in conflict with this Act be and the same are hereby repealed.

Approved Aug. 18, 1913.

*Consult the alphabetical index if you do not have the physician's location or are unable to find his name at the address given.*

## PHYSICIANS OF GEORGIA

**EXPLANATORY NOTE.**—The present Medical Practice Act of Georgia went into force Aug. 18, 1913, repealing the law of Jan. 1, 1895. Previous to 1895 a system of county registration prevailed. The records of the former Regular and Homeopathic Boards of Medical Examiners show only the names of physicians licensed since that date. From the former Eclectic Board it has been impossible to obtain any record of those licensed. As it is not possible to verify statements regarding the legal qualifications of physicians by the former Eclectic Board and of physicians who began practice in Georgia prior to Jan. 1, 1895, the names of all practicing physicians have been entered. Only those followed by the date of license since Jan. 1, 1895, however, have been reported to the licensing boards.

## KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in capitals signify membership in the County Society and State Association. (DOE, JOHN).  
 \* Indicates Fellowship in the American Med. Assn. (DOE, JOHN\*).  
 (b'75) Year of birth. [medic.  
 R, homeopath; E, eclectic; P-M, physio-Md. 7, '99, College and year of graduation.  
 † Information received does not show graduation.

(l'89) Year of license.  
 (‡) In practice before passage of present law and licensed by filing diploma or by Years of Practice.  
 (†) Licensed but year not known.  
 (§) Information received does not show license.  
 U.S.A., United States Army.  
 M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.  
 M.R.C., U.S.N., Medical Reserve Corps.  
 U.S.P.H.S., United States Public Health Service.  
 College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.  
 (Al, 3, B6, C4) Membership in special Societies. (See Key Table, page 122.)

## SPECIALTIES ARE INDICATED AS FOLLOWS:

S.—Surgeon.  
 Ob.—Obstetrician.  
 ObG.—Obstetrician, Gynecologist.  
 G.—Gynecologist.  
 Or.—Orthopedist.  
 Pr.—Proctologist.  
 Op.—Ophthalmologist.  
 A.—Aurist.  
 L.R.—Laryngologist, Rhinologist.

ALR.—Aurist, Laryngologist, Rhinologist.  
 OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.  
 U.—Urologist.  
 D.—Dermatologist.  
 Pd.—Pediatrist.  
 N.—Neurologist.  
 P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.  
 I.—Internist.  
 T.—Tuberculothorapist.  
 Anes.—Anesthetist.  
 LD.—Laboratory Diagnostician. [gist.  
 R.—Actinologist, Radiologist, Roentgenologist.  
 Path.—Pathologist.  
 Bact.—Bacteriologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAW OF IDAHO

### An Act

To Regulate the Practice of Medicine and Surgery Within the State of Idaho; and Providing Penalties for the Violation of this Act and the Repeal of all Other Acts in Relation Thereto.

Be it enacted, by the Legislature of the State of Idaho:

Section 1. CREATION OF BOARD: The governor of the state, within sixty days from the expiration of the session of the legislature at which this Act shall have been passed, shall appoint a Board of Medical Examiners to be known and styled "The State Board of Medical Examiners," consisting of six members, a majority of whom shall never be appointed from, nor represent, any one school of medicine, and not less than three schools of medicine shall be at all times represented on said board, all of whom shall be graduates of reputable medical colleges or universities, in good standing, and learned and skilled in the theory and practice of medicine and surgery, and of good moral repute.

The terms of office of the members forming the first board under this Act shall be as follows, viz.: Two members thereof shall be appointed to serve for a period of two years, and two members thereof shall be appointed to serve for a period of four years, and two members thereof shall be appointed to serve for a period of six years. After which all subsequent appointments shall be for a period of six years, and until their successors shall have been appointed and qualified. All persons appointed to serve under said board shall, on assuming the duties thereof, make oath before a district or probate judge that they are graduates of colleges or universities in good standing, giving names and locations thereof, and that they will faithfully and impartially perform the duties of such office. These oaths shall be made in duplicate, one to be retained on file in the office of the secretary of said board, and one to be forwarded to the secretary of state, who shall, on receipt of the same, issue to each member appointed on said board, and complying with this section, a certificate of such appointment, under his hand and the great seal of the state; provided, that the governor shall remove any member of said board who shall be guilty of any criminal or dishonorable conduct or any unprofessional conduct forbidden by this Act, on recommendation from the said board, made pursuant to a resolution thereof, duly authenticated and accompanied by all the facts and testimony in possession of said board, on which the said resolution is based. Vacancies occurring from death, resignation or any other cause, shall be filled by appointment by the governor within thirty days from the time such vacancies occur, and such appointee shall serve during the unexpired portion of the term of the member whose place he fills; provided, further, that after the board shall have been constituted and organized, no person otherwise eligible shall thereafter be appointed on said board

who is not in possession of a license to practice medicine and surgery in this state under the provisions of this Act.

Sec. 2. RULES: Said board shall have authority to prescribe and establish all needful rules, regulations and by-laws, not inconsistent with the laws of this state or the United States, to carry into effect the provisions of this Act. (Amending Section 1342, March 15, 1909.)

Sec. 3. ORGANIZATION: Said board shall organize immediately after appointment by electing from among its members a president, a secretary and a treasurer, and shall provide a seal and shall attest its acts under said seal. Any member of the board shall have the authority to administer oaths, and the board shall have authority to take testimony whenever the same is necessary in any matter relating to its official acts or duties. Said board shall hold regular meetings on the first Tuesday in the months of April and October in each year at the capital of the state, or at such other places as the board shall designate. Special meetings may also be called when, in the opinion of a majority of the said board, the same is necessary, and shall be held at such time and places as a majority of the board may designate. Said board shall keep a minute book or general book of record in which all the official acts, proceedings and transactions of said board shall appear in full. They shall also keep in addition thereto a "Cash Book," in which shall appear in detail all receipts and disbursements of said board. They shall also keep a special register, containing the names and addresses of all applicants for license, together with the data required to be furnished in the application for said license. Said special register shall also show whether the applicant received license or was rejected, and if the applicant was rejected, it shall contain, a full statement of the reasons therefor. Said general book of record, the cash book, and the special register, shall be prima facie evidence of all matters therein recorded, and shall be public records in charge of the secretary of the board.

Sec. 4. REPORT TO GOVERNOR: The board shall make an annual report to the governor of the state, which report shall set forth a full and complete history of all its official acts during the year, and shall also contain a true statement of all receipts and disbursements of said board for the period so reported.

Sec. 5. EXEMPTIONS FROM EXAMINATION: All persons, except as hereinafter provided, who are legally engaged in the actual practice of medicine and surgery, or either of them, within the state, at the time of the passage of this Act, under the provisions of the medical act of 1887, shall be licensed without examination to continue such practice under this Act, by making application to the State Medical Examining Board on suitably prepared blanks to be furnished by said board, within six months from the taking effect of this Act. The applicant shall be required to transmit with said application a certificate from the county recorder from the county in which he or she may reside, that said applicant is a bona fide resident of the state and has recorded his or her diploma under the provisions of the medical act of 1887, giving date of such record. Persons who received a license under the now defunct medical law of 1897 will simply be required to transmit such license. The fee for license under this section shall be five (\$5) dollars and shall in each case accompany the application. Upon fulfillment of the requirements herein stated, the board shall issue to said applicant a license to

practice medicine and surgery within this state. Persons for whom the provisions of this section are intended, failing or refusing to avail themselves of the same, shall be and are hereby subject to the requirements of Section 6 of this Act.

Sec. 6. APPLICATIONS: After the passage of this Act, every person, except as hereinafter provided, desiring to commence the practice of medicine and surgery, or either of them, within the state, shall, immediately and prior to commencing the same, make a written application to the State Medical Examining Board, on suitably prepared blanks, to be furnished by the board, for a license so to do. The applicant shall transmit with said application his or her diploma, together with an affidavit setting forth that said diploma is genuine, and that the applicant is the rightful possessor thereof and the identical person named therein, and that same was obtained by pursuing the regular course of study or examination in said institution, and setting forth that he or she is a citizen of the United States, or has declared their intention of becoming such.

If the said diploma has been issued by a reputable college of medicine in good standing, said applicant shall be eligible to examination. All applicants shall be examined in the applied branches of the theory and practice of medicine and surgery, or either of them, as those branches are taught in the reputable chartered schools of the system of medicine to which the applicant belongs and which the applicant intends to practice, and such examination shall in all cases include anatomy, physiology, pathology, diagnosis, hygiene, chemistry, histology and toxicology. No applicant for license shall be allowed to practice medicine and surgery, or either of them, until such license shall have been granted. The board shall cause the examination to be scientific and practical and sufficiently thorough to test the applicant's fitness to practice medicine and surgery, or either of them, and if the applicant correctly answers at least 75 per cent. of all the questions submitted, said board shall grant the applicant a license to practice medicine and surgery in this state. Every applicant for license under any of the provisions of this Act must furnish sufficient evidence to the board that they are of good moral character.

All applications under this section must be accompanied by twenty-five (\$25) dollars, which is the fee for examination under this section. Should the applicant fail to pass said examination, the fee is not returnable. The cost of transmission to and from the board of all papers belonging to an applicant under this or any other section of this Act shall be paid by the applicant. In the case an applicant for an examination fails to pass the required examination, he or she may be reexamined after the expiration of six months, and within one year, without the payment of an additional fee, and thereafter said applicant may be examined as often as desired at any regular or special meeting of the board on the payment of the regular fee for such examination. Said board may also refuse a license for unprofessional conduct, or conduct of a criminal, immoral, or dishonorable nature.

Sec. 7. REVOCATION; UNPROFESSIONAL CONDUCT: The words "unprofessional or dishonorable conduct" as used in Section 6, or any other section of this Act, are hereby declared to mean:

First: The procuring or aiding or abetting in procuring a criminal abortion.

Second: The employment of what are popularly known as "cappers" or "steerers" in procuring practice.

Third: The obtaining of a fee on the assurance that a manifestly incurable disease can be permanently cured.

Fourth: A wilful betrayal of the professional secret to the detriment of the patient.

Fifth: All advertisements of medical business in which untruthful and improbable statements are made.

Sixth: All advertisements of any kind, of any medicine or means, whereby the monthly periods of women can be regulated or the menses can be reestablished if suppressed.

Seventh: Conviction of any offense involving moral turpitude.

Eighth: Habitual Intemperance in the use of ardent spirits, narcotics or stimulants.

Sec. 8. EXAMINATIONS: All questions on the different branches of medicine and surgery submitted by said board to candidates for examination shall either be written or printed, or partly written and printed, and the questions on each branch shall be arranged on separate sheets of paper and numbered consecutively.

The candidates shall be supplied with a list of the questions on but one branch or subject at a time; after completing his or her answers thereto, he or she shall be entitled to the next list of questions, and so on in like manner until said candidate shall have been examined in all the branches required. All answers to the questions thus submitted shall be in writing, on suitable paper furnished by the board, no candidate being permitted to furnish his or her own paper for such written answers. Each list of the candidate's answers must bear the same title as the corresponding list of questions, and each answer shall be numbered to correspond with the question to which it refers. The questions submitted by the board to each candidate examined, together with the answers thereto, shall be placed and kept on file in the office of the secretary of said board, and shall constitute part of the records of said office.

Sec. 9. PROCEEDINGS TO REVOKE LICENSE: When complaint is made to the board, of unprofessional or other conduct, on the part of any licensee, under the provisions of the Act, meriting a suspension, revocation, or cancellation of his license, the board shall have power to hear evidence for and against the accused, touching such complaint, and if the board be satisfied from the evidence of the justice of such complaint, the board must institute proper proceedings in the district court in and for the county where such licensee resides, for the suspension or revocation, and cancellation of such license, and the district courts of this state are hereby vested with jurisdiction to hear and determine all such proceedings, and to suspend or revoke and cancel any license at issue in any such proceedings. The accused shall be entitled to appear in person or by counsel at every stage of such proceedings, from the first hearing of said complaint before the board to the final disposition of the case in the district court. All costs incident to any such proceeding in the district court shall be assessed by the court as the justice of the case, in the discretion of the court, may require.

In all such proceedings the county attorney shall appear for the board in the district court. In case the board refuse to grant a license to practice under this Act, the applicant shall have the right to have the action of the board refusing such license reviewed by the district court in and for the county in which the meeting at which the license was refused was held, or such other county as may be agreed upon; Provided, proceedings for such review be instituted within ten days after notice of such refusal on the applicant.

Sec. 10. PENALTIES: Any person practicing medicine and surgery within this state, without having obtained a license herein provided for, or contrary to the provisions of this Act, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined in a sum not less than \$50 nor more than \$300, or by imprisonment in the county jail not less than ten days, nor more than six months, or by both such fine and imprisonment, in the discretion of the court, together with the costs of prosecution and

each day such person continues to practice medicine and surgery, contrary to the provisions of this Act, shall constitute a separate offense. (Amending Section 1350, March 15, 1909.)

Sec. 11. RECORDING LICENSE: Every person receiving a license under this Act shall, within thirty days thereafter, have the same recorded in the office of the county recorder, within the county where the licensee intends to practice. Otherwise, said license is void. The county recorder of each county shall have suitably prepared a separate "book of record," in which all the licenses under this Act, presented to them, shall be recorded, and on the first day of December of each year furnish the secretary of "State Medical Examining Board" a list of the licenses on record in his office, and on notice to him from said secretary of the revocation of any license on record in his office, or of the death or removal from the county of any person whose license is on record therein, said recorder shall make a note of the fact on the page containing the record of said license, so that the records kept by said county recorder shall correspond with the records of his county as kept by the secretary of said medical board.

Sec. 12. LICENSES: All licenses issued by the board shall be numbered consecutively and in the order issued. Each license shall be signed by the president and secretary of the board under the official seal of the board issuing same. Four members of the board shall constitute a quorum to transact business at any regular or special meeting.

Sec. 13. STANDING OF COLLEGES: The words "respectable or reputable medical college or university in good standing" are hereby declared to mean such medical colleges or universities as are legally chartered, reputable, and in good standing within the state or county where they are located.

Sec. 14. DEFINITION: Any person shall be regarded as practicing medicine and surgery, or either, who shall advertise in any manner, or hold himself or herself out to the public as a physician and surgeon, or either, in this state, or who shall investigate or diagnose or offer to investigate or diagnose any physical or mental ailment of any person with a view of relieving the same as is commonly done by physicians or surgeons, or suggest, recommend, prescribe or direct, for the use of any person, sick, injured or deformed, any drug, medicine, means or appliance for the intended relief, palliation, or cure of the same, with the intent of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever; Provided, however, this Act shall not apply to dentists and registered pharmacists or midwives in the legitimate practice of their respective professions, nor to services rendered in cases of emergency, where no fee is charged. Any person who shall present to the board, as his or her own, the diploma of another, or a forged affidavit of identification, or who shall attempt to personate another practitioner of a like or different name, shall, upon conviction thereof, be subject to such fine and imprisonment as are made and provided by the statutes of the state of Idaho for the crime of forgery.

Sec. 15. VIOLATIONS: It shall be the duty of the county attorneys to prosecute all violations of this Act within their respective counties. And in all cases of appeal to the supreme court of the state, the attorney general thereof shall represent said board on said appeal. The board shall investigate all complaints of non-compliance with, or violations of, the provisions of this Act, and bring all such cases to the notice of the proper prosecuting officers.

Sec. 16. EXEMPTIONS: This Act shall not apply to commissioned medical officers of the United States Army, Navy, and Public Health Service in the discharge of their official duties, nor to railway surgeons in the discharge of official duties, nor to legally qualified physicians and surgeons from other states, when called in consultation with any legally qualified physician and surgeon of this state.

Sec. 17. COMPENSATION: The members of said board shall look alone to the revenues of this Act for reimbursement of actual expenses incurred in attendance on the business of the sessions of said board, and they shall look alone to the same source for their per diem allowance, which shall not exceed the sum of five dollars per day each, for each day said board may be in actual session.

Sec. 18. FORMER BOARD: The governor is hereby empowered to receive from the late secretary of the now defunct state board of medical examiners all property and money in his possession belonging to the said board, and to deliver same to the secretary of the State Board of Medical Examiners to be by him appointed under this Act.

Sec. 19. REPEAL: All other acts and parts of acts regulating the practice of medicine and surgery in this state are hereby repealed.

Sec. 20. IN EFFECT: Whereas, an emergency is hereby declared to exist, this bill shall be in force and take effect from and after its passage and approval by the governor.

Approved on the 3d day of March, 1909.

#### An Act

To Amend Sections 1342 and 1350 of the Revised Codes of Idaho.

Be it enacted by the Legislature of the State of Idaho:

Section 1. That Section 1350 of the Idaho Revised Codes be amended to read as follows:

Section 1350. PENALTIES: Any person practicing medicine and surgery within this state, without having obtained the license herein provided for, or contrary to the provisions of this chapter, shall be guilty of a misdemeanor, and on conviction thereof shall be fined not less than one hundred dollars (\$100), nor more than one thousand dollars (\$1,000), or be imprisoned in the county jail not less than thirty (30) days, nor more than one (1) year, or be punished by both such fine and imprisonment, in the discretion of the court, together with the costs of prosecution, and each day such person continues to practice medicine and surgery contrary to the provisions of this chapter shall constitute a separate offense.

Sec. 2. RECIPROCITY AND EXAMINATION: That Section 1342 of the Revised Codes of Idaho be amended to read as follows:

Section 1342. Said board shall have the authority to prescribe and establish all needful rules, regulations and by-laws not inconsistent with the laws of this state or the United States to carry into effect the provisions of this chapter, and said board may, either with or without examination, grant a license to any physician licensed to practice by a similar board of any other state and who holds a certificate of registration showing that an examination has been made by the proper board of any state in which an average grade of not less than 80 per cent. was awarded to the holder thereof, the said applicant and holder of such certificate having been at the time of said examination the legal possessor of a diploma from a medical college in good standing in any such state, which said diploma may be accepted in lieu of an examination as evidence of qualification. In case the scope of said examination was less than that prescribed by this state, the applicant may be required to submit to an examination in such subjects as have not been covered.

Sec. 3. Whereas, an emergency exists therefore, this Act shall take effect and be in force from and after its passage and approval by the governor.

Approved March 15, 1909.

## MEDICAL PRACTICE LAW OF ILLINOIS

### An Act

To Regulate the Practice of Medicine in the State of Illinois, and to Repeal an Act Therein Named, Approved April 24, 1899, As Amended by Acts Approved June 4, 1907, January 25, 1908, and May 29, 1911.

Section 1. ORGANIZATION AND DUTIES OF STATE BOARD OF HEALTH: Be it enacted by the people of the state of Illinois, represented in the General Assembly; That the State Board of Health shall organize within three months after the passage of this Act; it shall procure a seal and shall receive through its secretary applications for certificates and examinations. The president and secretary shall have the authority to administer oaths, and the board to take testimony in all matters relating to its duties.

Sec. 2. LICENSES FROM STATE BOARD OF HEALTH REQUIRED: Applications for License; Examinations; Graduates of Legally Chartered Medical Colleges in Illinois in Good Standing Granted Certificates: No person shall hereafter begin the practice of medicine or any of the branches thereof, or midwifery, in this state without first applying for and obtaining a license from the State Board of Health to do so. Application shall be in writing, and shall be accompanied by the examination fees hereinafter specified, and with proof that the applicant is of good moral character. Applications from candidates who desire to practice medicine and surgery in all their branches shall be accompanied by proof that the applicant is a graduate of a medical college or institution in good standing, as may be determined by the board. When the application aforesaid has been inspected by the board and found to comply with the foregoing provision, the board shall notify the applicant to appear before it for examination, at the time and place mentioned in such notice.

Examinations may be made in whole or in part in writing by the board, and shall be of a character sufficiently strict to test the qualifications of the candidate as a practitioner. The examination of those who desire to practice medicine and surgery in all their branches shall embrace those general subjects and topics, a knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine, by reputable medical colleges in the United States. The examination of those who desire to practice midwifery shall be of such a character as to determine the qualifications of the applicant to practice midwifery. The examination of those who desire to practice any other system or science of treating human ailments who do not use medicines internally or externally, and who do not practice operative surgery shall be of a character sufficiently strict to test their qualifications as practitioners. All examinations provided for in this Act shall be conducted under rules and regulations prescribed by the board, which shall provide for a fair and wholly impartial method of examination; provided, that graduates of legally chartered medical colleges in Illinois

in good standing as may be determined by the board, may be granted certificates without examinations. (1899.)

Sec. 2a. EXAMINATION REQUIRED; TEMPORARY LICENSES PERMITTED: The State Board of Health shall require that every applicant for a license to practice medicine and surgery in all their branches, in the state of Illinois (excepting only those physicians who may be entitled to a license under Section 3a of the act to which this Act is an amendment) shall present proof satisfactory to said board that he is a graduate of a medical college in good standing, as may be determined by the State Board of Health, and pass, before said board, an examination embracing those general subjects and topics, a knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine, by reputable medical colleges in the United States; Provided, that the State Board of Health may, in its discretion, admit to examination a student who has completed, in a medical college determined in good standing, the course of instruction required by the rules of said board in medical colleges determined in good standing, and who has passed the examination of said college, but has not received a diploma; Provided, further, that the said medical college shall require as a prerequisite to graduation, a course of study extending over at least five calendar years. And if said student pass the examination of the said board it may issue to him a limited license authorizing him to practice medicine and surgery in a hospital approved by said board and in no other place whatsoever in the state of Illinois, which limited license shall remain in effect for a period not exceeding eighteen months from the date thereof, and the State Board of Health may then issue to the applicant the regular permanent license of the board without further examination or fee, on condition that the applicant present a diploma from the medical college in which he had completed a course, as prescribed by the rules of the said board, previous to the issuance of the limited license hereinbefore mentioned, and otherwise complies with the requirements of the board and with the provisions of the act to which this Act is an amendment. (1911.)

Sec. 2b. ADMISSION TO MEDICAL COLLEGE: PRELIMINARY EDUCATION: STANDARD FIXED BY STATE BOARD OF HEALTH. The State Board of Health shall be empowered to establish a standard of preliminary education deemed requisite to admission to a medical college in "good standing," and to require satisfactory proof of the enforcement of this standard by medical colleges, provided that the board shall not recognize examinations of applicants for admission to medical colleges that have been conducted by the faculty or officers of a medical college, and provided further, that the diploma of an approved high school or equivalent school having a course of studies requiring an attendance through four school years, or a certificate of having passed a satisfactory examination before the state superintendent of public instruction, or like state officer, in the studies embraced in the curriculum of such approved high school shall be considered satisfactory evidence of preliminary education. And provided still further that the Illinois state superintendent of public instruction shall be empowered to exact a fee of five dollars from each applicant for such examination. The board shall also be empowered to determine the standing of literary or scientific colleges, high schools, seminaries, normal schools, preparatory schools, and the like, and the board may, in its discretion, accept as the equivalent of

one or more of the sessions or terms prescribed in its requirements governing medical colleges in "good standing," attendance in a literary or scientific college in "good standing," as evidenced by a degree from said institution, providing that the standards of said literary or scientific college are fully equal to those of the State University of Illinois. (1908.)

Sec. 3. LICENSE TO PRACTICE; PROVISIONS: If the applicant successfully passes his examination, or presents a diploma from a legally chartered medical college in Illinois of good standing, the board shall issue to such applicant a license authorizing him to practice medicine, midwifery or other system of treating human ailments, as the case may be; provided, that those who are authorized to practice other systems cannot use medicine internally or externally or perform surgical operations; provided, further, that only those who are authorized to practice medicine and surgery in all their branches shall call or advertise themselves as physicians or doctors; and provided, further, that those who are authorized to practice midwifery shall not use any drug or medicine or attend other than cases of labor. Such license shall be in such form as may be determined by the board, and in accordance with the provisions of this Act; provided, however, that any wilful violation on the part of an applicant of any of the rules and regulations of the board, governing examinations shall be sufficient cause for the board to refuse to issue a license to such applicant. Such certificates shall be signed by all members of the board and attested by the secretary. (1899.)

Sec. 3a. WHEN LICENSES MAY BE ISSUED WITHOUT EXAMINATION: The State Board of Health may, in its discretion, issue a license, without examination, on the payment of the proper fees, to a physician, who is a graduate of a medical college in good standing, and has been licensed in any country, state or territory, in which the requirements of medical registration are deemed by the State Board of Health to have been practically equivalent to the requirements of medical registration in force in Illinois, under the provisions of the act to which this Act is an amendment; provided, that such country, state or territory, shall accord a like privilege to physicians who hold licenses issued by the Illinois State Board of Health. And the State Board of Health may also, in its discretion, issue a license, without examination, to a physician who is a graduate of a medical college in good standing, and has passed an examination before the United States Army, the United States Navy, or the United States Public Health Service. (1907.)

Sec. 3b. COMPENSATION: For their services performed in the enforcement of this Act and the act to which this Act is an amendment, the members of the State Board of Health shall receive a compensation of \$10 per day for each and every day actually spent in attending to the business of the board; provided, that the board may fix a sum to be paid for each examination paper rated, and provided, further, that all such compensation shall be paid from the fees received by the board and no part thereof shall be paid out of the state treasury. (1907.)

Sec. 4. CERTIFICATES TO BE RECORDED IN OFFICE OF COUNTY CLERK; RECORDS OF COUNTY CLERK: Every person holding a certificate from the State Board of Health shall have it recorded in the office of the clerk of the county in which he resides or practices within three months from its date, and the date of recording

shall be endorsed thereon. Until such certificate is recorded, as herein provided, the holder thereof shall not exercise any of the rights or privileges conferred therein. Any person practicing in another county shall record the certificate in like manner in the county in which he practices, and the holder of the certificate shall pay to the county clerk the usual fee for making the record. The county clerk shall keep, in a book provided for the purpose, a complete list of the certificates recorded by him, with the date of the issue of the certificate. The register of the county clerk shall be open to public inspection during business hours. (1899.)

**Sec. 5. EXAMINATION FEES:** The fees for examination and for a certificate shall be as follows: Ten dollars for examination in medicine and surgery, and five dollars for a certificate if issued. Five dollars for an examination in midwifery, and three dollars for a certificate if issued. For all other practitioners ten dollars for an examination and five dollars for a certificate if issued. (1899.)

**Sec. 6. UNPROFESSIONAL OR DISHONORABLE CONDUCT; BOARD MAY WITHHOLD OR REVOKE CERTIFICATES; HEARING:** The State Board of Health may refuse to issue the certificates provided for in this Act to individuals who have been convicted of the practice of criminal abortion, or who have by false or fraudulent representation obtained or sought to obtain practice in their profession, or by false or fraudulent representation of their profession have obtained, or sought to obtain money or any other thing of value, or who advertise under names other than their own, or for any other unprofessional or dishonorable conduct, and the board may revoke such certificates for like causes; provided, that no certificate shall be revoked or refused until the holder or applicant shall be given a hearing before the board. (1899.)

**Sec. 7. DEFINITION OF THIS ACT:** Any person shall be regarded as practicing medicine, within the meaning of this Act, who shall treat or profess to treat, operate on or prescribe for any physical ailment or any physical injury to or deformity of another; provided, that nothing in this section shall be construed to apply to the administration of domestic or family remedies in cases of emergency, or to the laws regulating the practice of dentistry or of pharmacy. And this Act shall not apply to surgeons of the United States Army, Navy or Public Health Service in the discharge of their official duties, or to any person who ministers to or treats the sick or suffering by mental or spiritual means, without the use of any drug or material remedy. (1899.)

**Sec. 8. ITINERANT VENDORS; LICENSE; PENALTIES:** Declared unconstitutional by supreme court.

**Sec. 9. PENALTY FOR PRACTICING WITHOUT LICENSE:** Any person practicing medicine or surgery or treating human ailments in the state without a certificate issued by this board in compliance with the provisions of this Act, or any itinerant vendor violating the provisions of Section 8 of this Act, shall for each and every instance of such practice or violation forfeit and pay to the people of the state of Illinois, for the use of the said Board of Health, the sum of \$100 for the first offense and \$200 for each subsequent offense, the same to be recovered in an action of debt before any court of competent jurisdiction, and any person filing or attempting to file as his own the diploma or certificate of another, or a forged affidavit of identification, shall be guilty of a felony, and on conviction shall be subject to such fine and imprisonment as are made and provided by the statutes of the state for a crime of forgery; provided, that this section shall not apply to physicians who hold unrevoked certificates from the State Board of Health issued prior to the time of the taking effect of this Act. (1899.)

**Sec. 10. ENFORCING PENALTIES; APPEALS:** Upon conviction of either of the offenses mentioned in this Act the court shall, as a part of the judgment, order that the defendant be committed to the common jail of the county until the fine and costs are paid, and upon failure to pay the same

immediately the defendant shall be committed under said order for the first offense not more than thirty days, and for each subsequent offense not more than ninety days; provided, that either party may appeal in the same time and manner as appeals may be taken in other cases, except that where an appeal is prayed in behalf of the people no appeal bond shall be required to be filed, whether the appeal be from the justice of the peace or from the county or circuit courts, or from the appellate court. But it shall be sufficient in behalf of the people, of the state of Illinois, for the use of the State Board of Health, to pray an appeal, and thereupon appeal may be had without bond or security. (1899.)

**Sec. 11. BOARD TO MAKE REPORT OF PROCEEDINGS:** On the 30th day of September of each year, the State Board of Health shall make a report showing all items of receipts from all sources and disbursements for all purposes, and all expenses incurred by the members of said board, except attorney fees, in the enforcement of the act, to which this Act is an amendment, and all compensation provided for therein to said members may be paid out of the state treasury on appropriation being made therefor by the general assembly. (1911.)

**Sec. 12. REPEAL:** An act to regulate the practice of medicine in the state of Illinois, approved June 17, 1887, in force July 1, 1887, and all other acts and parts of acts inconsistent with this Act are hereby repealed. (1899.)

(l'89) Year of license.

(5) In practice before passage of present law and licensed by filing diploma or by years of practice.

(l†) Licensed but year not known.

(5) Information received does not show license.

U.S.A., United States Army.

M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.

M.R.C., U.S.N., Medical Reserve Corps.

U.S.P.H.S., United States Public Health Service.

College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.

(Al, 3, B6, C4) Membership in special Societies. (See Key Table, page 122.)

## SPECIALTIES ARE INDICATED AS FOLLOWS:

ALR.—Aurist, Laryngologist, Rhinologist.

OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.

U.—Urologist.

D.—Dermatologist.

Pd.—Pediatrist.

N.—Neurologist.

P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.

I.—Internist.

T.—Tuberculothorapist.

Anes.—Anesthetist.

LD.—Laboratory Diagnostician. [†††

R.—Actinologist, Radiologist, Roentgenologist.

Path.—Pathologist.

Bact.—Bacteriologist.

S.—Surgeon.

Ob.—Obstetrician.

ObG.—Obstetrician, Gynecologist.

G.—Gynecologist.

Or.—Orthopedist.

Pr.—Proctologist.

Op.—Ophthalmologist.

A.—Aurist.

LR.—Laryngologist, Rhinologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.
